## **The Go Gospel:**

**The Go-Ahead Man** Pastor Tyrone Johnson, 2015-05-26 The go ahead man must understand the purpose of a wife and he must realize that marrying a woman does not make her a wife The go ahead man must also obey God and do as God have commanded him this is why he needs a help meet If the man is not doing what God has commanded him he doesn't need a help meet let's face it men we don't need help when we are not doing anything he can do that all by himself In a Christian marriage we must understand that God created the union of marriage and he knows what it takes to make it work Every man has the ability to be a go ahead man all he needs is himself What something is worth will be determined by what someone will give for it Just like Christ gave himself for the church The go ahead man gives himself for the marriage The man must understand that he is the head not because he is smarter stronger or because he is a good provider he is simply the head because that's what the Word of God said The man's failure to function as the head is a lack of belief in God's Word As Christians we must realize who the real enemy is One thing that the go ahead man must get very skillful at especially when relating to his wife is recognizing when Satan comes into the conversation Satan's desire is to destroy the union of marriage I believe the reason that destruction of the marriage is so high on Satan's priority list is because Satan knows if he destroys the marriage then he can disrupt the church and if the church is not in place then he can win a community and finally a nation But I thank God that Satan's plan will not work because Jesus said in Mark 10:9 What therefore God hath joined together let not man put asunder

**The Go-To Church** Bryan D. Collier, 2013 Gone are the days when churches could simply sit on the corner and attract passers by But people still long for the peace and confidence faith in God provides every church has the potential to grow How By taking the church to the people becoming a 3Go To Church3 rather than a 2Come Here Church 3 Multi site church strategy may seem new but it's as old as the 1st Century Jesus' followers didn't stay in the Upper Room waiting for nonbelievers to find them They struck out and went where God led throughout the world to all people They created a multi site church model Using the strategies and guidance of this book you can customize the mission and ministry of your church to connect with people where they are You will not only grow your church but enhance God's Kingdom and accomplish the mission of the Great Commandment Description from back cover of book

**What Is This Thing Called Go(O)D?** Rob Beasley, 2014-06-05 This book tackles that age old question of meaning and the Question of What is this thing called Go o d by using the analogy of a tree It first sets out to devise the seed of the research by giving some definitions of what the author thinks Go o d is Or you might say Go o d's reason for being It's essence Then the earliest sources of the Jesus story are examined The roots Finally a big picture examination of history the branches and canopy reveals a theory with five related corruptions to the religious story
