William HUNTINGTON (S.S.)

The God Of Israel:

The “God of Israel” in History and Tradition Michael J. Stahl, 2021-03-22 In *The God of Israel in History and Tradition* Michael Stahl provides a foundational study of the formulaic title god of Israel *elohe yisra el* in the Hebrew Bible. Employing critical theory on social power and identity and through close literary and historical analysis Dr Stahl shows how the epithet god of Israel evolved to serve different social and political agendas throughout the course of ancient Israel and Judah's histories. Reaching beyond the field of Biblical Studies Dr Stahl's treatment of the historical and ideological significances of the title god of Israel in the Hebrew Bible offers a fruitful case study into the larger issue of the ways in which religion may shape and be shaped by social and political structures. [The God of Israel](#) R. P. Gordon, 2007-04-19 Collection of essays discussing many unresolved or largely unaddressed issues about this unique deity. [Jesus and the God of Israel](#) Richard Bauckham, 2013-09-01 *God Crucified and Other Essays on the New Testament's Christology of Divine Identity* The basic thesis of this important book on New Testament Christology sketched in the first essay *God Crucified* is that the worship of Jesus as God was seen by the early Christians as compatible with their Jewish monotheism. Jesus was thought to participate in the divine identity of the one God of Israel. The other chapters provide more detailed support for and an expansion of this basic thesis. Readers will find not only the full text of Bauckham's classic book *God Crucified* but also groundbreaking essays some of which have never been published previously. **Battle of the Gods: The God of Israel Versus Marduk of Babylon** Kessler, 2018-03-20 This monograph is a literary study of the oracles against Babylon in Jeremiah chapters 50-51. They form the climax of the foreign oracle collection in the book of Jeremiah. Included are a survey of early scholarship on these chapters, a discussion of genres and motifs, verbal components and a succinct survey of the historical context. However, the major emphasis is directed to the dynamic of these oracles as a literary creation with a message. That message is directed to Judah and Israel who are urged to flee a doomed city with its idolatrous civilization and to return to their homeland to Jerusalem to enter a permanent covenant with YHWH, the God of their fathers. Throughout the literature is discussed in its natural contexts within the oracle collection in Jeremiah in comparison with the Isaian oracles against Babylon and within the canonical book of Jeremiah demonstrating the climactic position of these oracles. **The God of Israel** David Lipscomb Cooper, 1939 **Who was the God of Israel?** Scott Janzen, Associated Mennonite Biblical Seminary. Pentateuch, 2009 **The Origin of the God of Israel** Samuel C Phillips, 2015-02-01 In this book, in addition to informing where God originated and where He lives, we inform why, after revealing His personal name to Moses, He yet has a secret name (Revelation 19:12). And among several other significant issues, including what really constitutes God relevant to Judeo-Christianity, we show also that contrary to popular Jewish belief, Abraham did not know God's personal name and why God did not inform him. Significantly, we show also why, at Israel's birth in 1948, their tiny army, using slingshots, inferior weaponry, defeated six Arab armies confederated and armed with sophisticated weaponry, yet now with the best and most

powerful army in the Middle East and with the best weaponry Israel cannot outright defeat Hamas even after three wars nor even Hezbollah Interestingly the Bible has track record for prophetic accuracy But ever since Islam was formed in the 7th century A D Muslims claimed their god Allah is the greatest as well as that there is no god but Allah and are extremely zealous for their religion to the extent of fanaticism by some Yet the Bible in Revelation 13 8 reveals them also worshipping a different god a MAN claiming to be God 42 months after the EU elects their first 42 months two term president shortly to occur Why the change These and other current world issues relevant to Christians and non Christians alike are addressed in this book **Contemplations on the God of Israel, in a series of letters to a friend** William HUNTINGTON (S.S.),1855

supports the churches affirmation God s covenant with Israel stands forever BOOK JACKET **The God of Israel** Stanley Lotege luaki, 2015-05-21 We really dont know who The God of Israel is we know that He spoke at Mt Sinai and led the Israelites in the desert for 40 years and that He is a serious God His voice was so terrible at Mt Sinai that the people asked and begged that He not speak to them directly lest they die The Israelites were terrified of The God of Israel So God the God of Israel came down from heaven as a meek humble and weak human called Jesus Christ The God of Israel came down to this earth in the body of a man started out as a weak baby grew up among us and taught us how to live peacefully in His earth For His love and service we killed The God of Israel and nailed Him to a cross He in turn used the opportunity to take the punishment for all our sins Then He went up back to heaven This terrible God who the Israelites were afraid of is Jesus Christ and instead of coming down and scaring us He lived among us The God of Israel the humble Carpenter actually owns an infinite amount of universes infinite alien beings in infinite multiple universes worship Him and He created them all The God of Israel is infinite as Mother Teresa said He was Sure He has some enemies that creature He created called Satan and his demons and some human goats but Jesus rules an infinite amount of creatures in the third dimension We havent even counted all the other infinite dimensions out there that He governs Jesus is worshipped in infinte multiple universes throughout infinity and as The God of Israel commands the Universes to expand and collapse with a single word He is going to return soon The terrible God of Israel of Mt Sinai but He will come in the body of Jesus Jesus Christ is the image of The God of Israel He does not want to scare us so thats why He is meek and humble for us Also when He rules us He will wear a crown of thorns to rule the nations as the six sided Israeli flag represents Psalm 50 1 The mighty God even the Lord hath spoken and called the earth from the rising of the sun unto the going down thereof 2 Out of Zion the perfection of beauty God hath shined 3 Our God shall come and shall not keep silence a fire shall devour before Him and it shall be very tempestuous round about Him 4 He shall call to the heavens from above and to the earth that He may judge His people 7 Hear O My people and I will speak O Israel and I will testify against thee I am God even thy God Psalm 145 8 The Lord is gracious and full of compassion slow to anger and of great mercy 9 The Lord is good to all and His tender mercies are over all His works 10 All thy works shall praise thee O Lord and thy saints shall bless thee Jesus Christ The StarChildren believe in God guided Evolution and as Christians believe in Dinosaurs the flood only covered the MiddleEast Life before the Big Bang the Big Bang did happen and just as the Bible and Einstein agree the universe is going to collapse The future of Christianity is the StarWars and StarTrek generation the StarChildren They believe Jesus Christ is a superstar on millions and billions of other planets besides the earth Jesus is worshipped throughout infinity through countless stars and countless universes He might be the humble carpenter to us but He is known as God to alien Christians in faraway universes Jesus is worshipped in endless infinite multiple universes Jesus is truly the StarChild and The God of Israel our King who will wear a crown of thorns to rule the human race His creation The Jews rejected the Invisible God of Israel to be their King because He was invisible and too

terrible So the God of Israel came down as meek and lowly Jesus Mt 14 27 But straightway Jesus spake unto them saying Be of good cheer it is I be not afraid **The Prophets of Israel** Carl Heinrich Cornill,1897 **The Church Has Not Replaced God's Israel** Pelham Gross,2005-10 Seminary trained Gross states that it s impossible to relegate Israel to less than her biblical role To replace Israel with the church is wrong and dangerous because nothing in the Bible suggests God will ever change his mind about Israel s essential role in world politics or the individual lives of believers *God of Israel the God of Christians: the Great Themes of Scripture* Jean Gribet,1964
