The God of Jesus David A. Kroll, 2012-12-26 Jesus said the Father is the one and only true God John 5 43 44 17 3 Apostle Paul taught the same thing 1 Corinthians 8 4 6 11 3 1 Timothy 2 5 Jesus said the Father is greater than Him and that He receives his life from the Father John 14 28 5 26 Yet Christian theology teaches Jesus is also the one and only true God is equal with the Father and has existed eternally with the Father in an indwelling relationship of Father Son and Spirit The Bible repeatedly speaks of God the Father You will not find the phrase God the Son or God the Spirit in the Scriptures The Bible consistently speaks of the Son of God and Spirit of God but never speaks of the Father of God In The God Of Jesus it will be demonstrated that the reason the Bible never speaks of God the Son God the Spirit or the Father of God is because the Father and only the Father IS God It will be clearly shown who Jesus is and what the Spirit is in relation to who God is

Neil Richardson, 2014-10-23 How should we understand the God of the Bible How do we make sense of God's apparently changing character in the Bible theologically God is not obvious unlike all the animate and inanimate objects which we can see around us God does not appear to fulfill any useful purpose what is God for or about Is God just a mystery Or a problem Or both In Who On Earth is God Making Sense of God in the Bible Neil Richardson provides the answers to these fascinating questions Richardson tackles the hard issues surrounding some of the more problematic passages head on looking at divine anger violence and jealousy and suggesting how these can be interpreted The book engages with the difficult questions posed by contemporary issues and the new atheism pioneered by popular writers such as Richard Dawkins This takes discussion beyond the bible into later developments in thought and notions of God in a post modern context This is an indispensable guide for people with or without faith wrestling with these difficult and eternal questions and themes The God of the Bible and Other "gods," Paul Edward Kretzmann, 1943 The God of the Bible Vol. 1 Leo Kuykendall, 2019-05 This book will let you see God in all his attributes his greatness his holiness his love his forgiveness his power and his judgment **The God of the King James Bible** James Coffey, 2019-08-05 No book revealed God better than the King James Bible Its translation from the original Hebrew and Greek scriptures was faithfully literal and yet gracefully poetic Its language was so beautiful that today the King James Bible is regarded as literature and one of the great achievements of Western civilization Its influence was powerful and far reaching Its translators were intelligent godly and untarnished by the corruption of the modern world If you want to know who God is and what he is like read how he is described in the King James Bible The God of the Bible David E. Pratte, 2013-12-16 A study of Bible teaching about God with emphasis on the work of the Holy Spirit Written from the conservative viewpoint of faith in the Scriptures as the absolute inerrant verbally inspired word of God Includes an examination of teaching about The number of individuals in the Godhead The Deity of Jesus The nature of the Holy Spirit Miracles and spiritual gifts their characteristics purpose imparting and duration The indwelling of the Holy Spirit Are the Father Son and Holy Spirit separate individual beings Does Jesus wear the names possess the characteristics and do the work of God Do modern faith healers duplicate true Bible healings Is modern tongue speaking the true Pentecostal

Is Jesus Truly God? Greg Lanier,2020-07-07 The question of Jesus's divinity has been at the epicenter of theological discussion since the early church At the Council of Nicea in AD 325 the church fathers affirmed that Jesus the Son of God is true God from true God Today creeds such as this are professed in churches across the world and yet there remains confusion as to who Jesus is To some Jesus is a radical prophet nothing more than a footnote in history To others Jesus is the only Son of God fully God and fully man the author of history entering history Is Jesus Truly God is an accessible resource bridging the gap between the pulpit and the pew as it traces the rich roots of creedal Christology through the Scriptures strengthening the reader's understanding of Jesus as fully God and fully man Yahweh G.H. Parke-Taylor,2006-01-01 Biblical tradition asserts that the revelation of God to Moses in the burning bush involved also a declaration of the divine name the Tet represented by the letters Y H W H and its meaning There are indications that the divine name was known prior to the time of Moses although ultimate questions of origin and precise meaning are shrouded in obscurity IN fact even the exact pronunciation of the name usually pronounced YAHWEH is by no means certain The author of The Divine Name in the Bible surveys the immense literature on this subject and traces the use of various names for deity in Israel from patriarchal times onwards with special attention to the significance of the Tetragrammaton which in course of time became the name by which the God of Israel was known Various aspects of the theological meaning of the name in the Old Testament writings are explored The Dead Sea Scrolls the Jewish Talmudic literature and later mystical writings are also examined The translators of the Old Testament into Greek used Kyrios as the equivalent for YHWH with implications for the New Testament understanding of the person of Jesus Christ reflected also in subsequent Christological formulations
