**BIBLE DIFFICULTIES** Edward D. Andrews, 2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible

Lackey,2008-07-29 For 1700 years the Trinity has been considered the cornerstone of Christianity by all mainstream churches But the Bibles words for God appearing thousands of times never mean a triune God The concept of the Trinity has been taught to churchgoers based solely on implication and inference The truth is the Scriptures dont support the doctrine of the Trinity but it has been indoctrinated into the minds of otherwise intelligent and well educated Christians and perpetuated as a mystery not meant to be understood The majority of Christians have not bothered to investigate the doctrine for themselves and consequently have been duped Ms Lackey suggests that far too many Christians attend church with the attitude Tell me pastor what do I believe today Ms Lackey expressed her resentment at being accused of being a heretic not being a Christian and being condemned to hell because of her strong belief in the human Jesus the Messiah and Son of God as opposed to being the one Almighty God Her strong conviction led her to collaborate with biblical Unitarian authors to create a book that challenges the centuries old man made doctrines of the Trinity the mainstay of ecclesiastical tradition Ms Lackey sees the Trinity as blight on the true Christianity taught by Jesus Christ for the benefit of humanity and feels Trinitarian Christians have traded Hebrew theology for Geek mythology with barely a question asked She further contends that the majority of Christians believe in the Trinity primarily because they are expected to Not to accept this dogma would place them under condemnation from both their brethren and the clergy Ms Lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one God She adamantly contends that Christians must take more responsibility for their beliefs and stop settling for centuries old creeds and doctrines as scriptural truth The cover illustration depicts the agony experienced by Michael Servetus a brilliant Spanish physician and theologian who as one of the first Protestants to challenge the Trinity was slowly burned at the stake in 1553 his book fastened to his thigh at the instigation of the Protestant reformer John Calvin
