Jonathan Coe, 2016-11-23 A dream of a novel Erica Wagner *The Times* London Following *The Winshaw Legacy* Coe's ecstatically reviewed American debut winner of the John Lewellyn Rhys Prize in England and France's coveted Prix du Meilleur Livre étranger comes this beguiling eccentric entertainment Ashdown a vast clifftop manor on the English coast was once a university residence where a group of students met briefly before going their separate ways Twelve years later it has been transformed into a clinic for sleep disorders and a series of strange coincidences and ostensible synchronicities draws the same group of people together once again each of them in different ways plagued by sleep Sarah is narcoleptic and her inability to distinguish between dreams and waking reality gives rise to a great many misunderstandings one of which is to change Robert's life forever as he persists for years and then some in his attempt to win her love For Terry a disillusioned film critic whose career has been derailed by Sarah's affliction sleep is merely a memory for his insomnia is complete and he can only yearn for the tantalizing dreams he enjoyed in youth And for the increasingly deranged Dr Dudden who has made the subject the focus of his medical practice sleep is nothing less than a global disease With panache worthy of Nabokov and with the heart to match his sophistication Jonathan Coe has written a breathtakingly original comedy about the powers we acquire and those we relinquish when we fall asleep or fall in love This is a remarkable book most impressive for its subtle narrative patterning like a dapple of light and shade allowing us to indulge the illusion of understanding its characters until all at once the darkness the isolation and the mystery return Perhaps most strange of all for a novel about insomniacs *The House of Sleep* is a wonderful bedtime read David Nokes *Sunday Times* **Welcome to Nigeria** R.
