The Christian's Voice of Devotion John G. Lorimer, 2025-08-21 Reprint of the original first published in 1858 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Christian's Voice of Devotion, a Manual of Prayer for Family and Private Worship* John Gordon Lorimer (D.D.), 1858 **The Christian's voice of devotion, a manual of prayer, with a preface by J.G. Lorimer** Christian, 1858 *God's Voice* Riaan Engelbrecht, 2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen

The Mystery Behind God's Voice George Mfula , The Mystery Behind God's Voice is a book you cannot ignore to read It will bring you into realms of unprecedented fellowship with God and His Spirit Whether in Africa Australia Asia South America Europe North America or the USA no Christian should neglect the need to hear God's voice If you and I think God's voice is for pastors bishops prophets and apostles only then we have just missed it all together Everyone today needs the voice of God to fulfil destiny in a grand style Nothing more and nothing less Many people have lost their marriages jobs businesses and even their lives because of listening to the wrong voices The voice you listen to or obey will determine where you end up in life I have decided in my life to hear only one voice and that is the voice of God Many people in the Bible destroyed their destinies because of obeying the voices of people and not God's voice Even today people have destroyed their lives because of listening to the wrong voices You must not obey the voice of people more than you obey the voice of God Get this book You will scale greater heights of wisdom understanding knowledge and empowerment in Christ Jesus

son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend **Seeing the Voice of God** Laura Harris Smith,2014-01-07 God is always speaking even when He doesn't use words We live in a post verbal society that communicates through images television smartphones the Internet and our Creator longs to communicate with us visually if we'll live with our eyes wide open With absorbing insight Seeing the Voice of God demystifies nighttime dreams and daytime visions revealing the science behind the supernatural and giving you a biblical foundation for making sense of what you see You'll also learn to discern if what you see is from God study the ten most common types of dreams discover spirit mind and medical tips for better dream recall interpret dream symbols and imagery review the best iPhone and Android sleep cycle apps Includes a comprehensive Dream Symbols Dictionary with over 1 000 biblical definitions Hearing the Voice of God Brian Neil Peterson,2018-07-26 Knowing when God is speaking to you is sometimes easier said than done Indeed many people question how God speaks to believers today or in some cases if he does at all Yet for the believer hearing God's voice is vital for direction in one's life and for spiritual development In this book Peterson offers a practical guide for hearing God's voice by presenting numerous anecdotal accounts demonstrating how this has played out in his own life At the same time Peterson's instruction is securely anchored in the precedent of Scripture **The Voice of God in Authority Relationships** David A Swincer,2021-08-11 We live in a day when God's Voice is heard less and less References to God or celebrations like Christmas and Easter are devalued and avoided or reinterpreted for secular reasons References to God by prayers in Parliament and schools are reduced or removed Loud unprincipled voices are being heard instead of the truly authoritative Voice of God Godless evolution is promoted in most educational institutions with any believers in or sympathisers of creation being dismissed or intimidated Against all this ignorance we note that the only true source of authority is this same Almighty God Who is being silenced by the secular society And the effects of this fact are being felt at all levels of society with exceptionally sad oppression and injustice All authority as expressed in the functional structures of our society whether government and civil employment and education or domestic and private is only ever derived authority No one has authority vested in them by intrinsic right or by self achievement The only ones who claim such authority are dictators petty tyrants bully bosses tyrannical husbands intolerant drill instructors and the like No one serving under them would ever mistake their voice as even remotely expressing the Voice of the true God The one and only true and sovereign God Who alone possesses authority is loving caring compassionate patient just longsuffering instructive How can this God's character be conveyed to our society Only through the derived authority expressed by Christians in the functional structures of society Others who have imbibed the Judeo Christian ethic will no doubt also express from their background something of God's character as
