**The Gods are Athirst - Anatole France** Anatole France, 2025-02-16 The Gods Are Athirst by Anatole France is a powerful historical novel set during the height of the French Revolution capturing the terror idealism and fanaticism of the period The story follows variste Gamelin a young and zealous Jacobin artist who becomes a judge of the Revolutionary Tribunal Consumed by his devotion to the revolutionary cause Gamelin descends into moral blindness embracing violence and justifying executions in the name of justice and virtue Published in 1912 the novel offers a scathing critique of ideological extremism and the corrupting nature of absolute power Through precise and elegant prose Anatole France explores the tragic consequences of political fanaticism the loss of individual conscience and the transformation of noble ideals into instruments of terror The title itself The Gods Are Athirst alludes to a thirst for blood disguised as divine justice The enduring relevance of The Gods Are Athirst lies in its timeless examination of how revolutions can devour their own and how the pursuit of purity can lead to destruction With its chilling portrait of a society spiraling into chaos the novel remains a poignant reflection on the fragility of reason and humanity in times of upheaval The Gods are Athirst Anatole France, 2020-09-28 Evariste Gamelin painter pupil of David member of the Section du Pont Neuf formerly Section Henri IV had betaken himself at an early hour in the morning to the old church of the Barnabites which for three years since 21st May 1790 had served as meeting place for the General Assembly of the Section The church stood in a narrow gloomy square not far from the gates of the Palais de Justice On the facade which consisted of two of the Classical orders superimposed and was decorated with inverted brackets and flaming urns blackened by the weather and disfigured by the hand of man the religious emblems had been battered to pieces while above the doorway had been inscribed in black letters the Republican catchword of Liberty Equality Fraternity or Death variste Gamelin made his way into the nave the same vaults which had heard the surpliced clerks of the Congregation of St Paul sing the divine offices now looked down on red capped patriots assembled to elect the Municipal magistrates and deliberate on the affairs of the Section The Saints had been dragged from their niches and replaced by the busts of Brutus Jean Jacques and Le Peltier The altar had been stripped bare and was surmounted by the Table of the Rights of Man It was here in the nave that twice a week from five in the evening to eleven were held the public assemblies The pulpit decorated with the colours of the Nation served as tribune for the speakers who harangued the meeting Opposite on the Epistle side rose a platform of rough planks for the accommodation of the women and children who attended these gatherings in considerable numbers On this particular morning facing a desk planted underneath the pulpit sat in red cap and carmagnole complete the joiner from the Place Thionville the citizen Dupont senior one of the twelve forming the Committee of Surveillance On the desk stood a bottle and glasses an ink horn and a folio containing the text of the petition urging the Convention to expel from its bosom the twenty two members deemed unworthy variste Gamelin took the pen and signed I was sure said the carpenter and magistrate I was sure you would come and give in your name citizen

Gamelin You are the real thing But the Section is lukewarm it is lacking in virtue I have proposed to the Committee of Surveillance to deliver no certificate of citizenship to any one who has failed to sign the petition     *The Gods Are Athirst* Anatole France,HardPress,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy     *The gods are athirst* Anatole France,1913     *The Gods Are Athirst* Anatole France,Alfred Allinson,2014-03 This Is A New Release Of The Original 1913 Edition     **The Gods Will Have Blood** Anatole France,Frederick Davies,2004-08-26 It is April 1793 and the final power struggle of the French Revolution is taking hold the aristocrats are dead and the poor are fighting for bread in the streets In a Paris swept by fear and hunger lives Gamelin a revolutionary young artist appointed magistrate and given the power of life and death over the citizens of France But his intense idealism and unbridled single mindedness drive him inexorably towards catastrophe Published in 1912 *The Gods Will Have Blood* is a breathtaking story of the dangers of fanaticism while its depiction of the violence and devastation of the Reign of Terror is strangely prophetic of the sweeping political changes in Russia and across Europe     *The Gods Are Athirst* Anatole France,2015-07-25 Instead of memorizing vocabulary words work your way through an actual well written novel Even novices can follow along as each individual English paragraph is paired with the corresponding French paragraph It won t be an easy project but you ll learn a lot     *The French Revolution: The guillotine* Thomas Carlyle,1837     **The Gods are Athirst** Anatole France,Alfred Richard Allinson,2002     **The American Review of Reviews** Albert Shaw,1912     **GODS ARE ATHIRST** ANATOLE.
