The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus day are tying up some loose ends. 2008 The introduction lays the groundwork for the rest of the book. Section 1 posted on my website [THEorYofLIVEvolution.com](http://THEorYofLIVEvolution.com) for length purposes establishes the unique reality of Biblical Christianity. This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point. Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions. If you think this scenario is outlandish, the free U.S. non-coincidentally meets every one of the criteria for atheistic Communism listed in Marx's *Communist Manifesto*. As Section 3 discusses what They have planned for you on Mother Earth if you're worthy of evolution at least is the Nazis on steroids. My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering. I say this only to establish myself as a logically and scientifically grounded thinker. I desire no fame or profit for this endeavor. Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site. Let this book be the introduction into the way the world really works and detox much of the Orwellian re-education we've all been fed by the establishment-owned education system and mainstream news. After you're done reading this introduction to the way the world really works, please spend some time on my website and related links to keep abreast of our steadily unraveling descent into the Mouth of Madness.
