The Golden Face A Great Crook Romance:

The Golden Face: A Great 'Crook' Romance William Le Queux, 1922-01-01 **The Golden Face** William Le Queux, 2019-12-20 In William Le Queux's gripping novel *The Golden Face* readers are transported into a world of intrigue and deception woven together through masterful prose and vivid imagery. Set against the backdrop of early 20th century Europe, the narrative unfolds a tale of mystery revolving around a cursed artefact infusing elements of suspense and the supernatural. Le Queux's literary style is characterized by its fast-paced plot and richly descriptive scenes, creating an atmospheric tension that compels the reader forward, reminiscent of the gothic tradition and the detective fiction burgeoning at the time. William Le Queux was a prolific author and journalist whose experiences in espionage and international relations profoundly influenced his writing. His keen insights into the socio-political climate of his era, particularly concerning nationalism and the fear of impending war, informed the underlying themes in *The Golden Face*. As a contemporary of the literary giants of his time, Le Queux embraced sensationalism and played with the public's fascination for thrillers, exploring not just the human psyche but the fragile nature of society. I highly recommend *The Golden Face* for readers who appreciate a blend of adventure, mystery, and social commentary. Le Queux's ability to captivate with well-drawn characters and a haunting plot makes this novel a compelling exploration of superstition and its psychological ramifications, ensuring that it remains a riveting read even today.

The Golden Face: A Great 'Crook' Romance William Le Queux, 2023-07-07 Excerpt In order to ease my conscience and further to disclose certain facts which for the past year or two have I know greatly puzzled readers of our daily newspapers I have decided to here reveal some very curious and perhaps sensational circumstances. In fact, after much perplexity and long consideration I have resolved without seeking grace or favor to make a clean breast of all that happened to me and to leave the reader to judge of my actions and either to condemn or to condone my offences I will begin at the beginning. It has been said that service in the Army has upset the average man's chances of prosperity in civil life. That I regret is quite true.
