## **The Golden Mile To Murder:**

The Golden Mile to Murder Sally Spencer, 2012-09-01 When a bobby is killed in Blackpool Chief Inspector Charlie Woodend takes a ride through England's wild side to get to the bottom of a mystery The investigation into the brutal murder of a Blackpool policeman during holiday season was never going to be easy but the case is not Chief Inspector Woodend's only problem His new boss DS Ainsworth is just waiting for an opportunity to stick a knife in his back and his invaluable assistant Bob Rutter has been replaced by a sergeant more intent on advancing her own career than helping him Then it appears the Blackpool police seem to think it might be better if the killer were never found Should give the reader a shiver or two Publishers Weekly Unique settings and psychological details supplement Woodend's usual antics a surefire series addition Library Journal

Fatal Quest Sally Spencer, 2013-12-20 After the dramatic events in *Dying Fall* Woodend reminisces on his long career in a brand new story You should have worked out by now that nobody wants this case solved These words delivered by Eddie a Liverpool thug brought down to London especially to put the frighteners on him send a shiver down newly promoted DS Charlie Woodend's spine Because Eddie is right Nobody does seem interested in bringing the killer of sixteen year old Pearl Jones to justice Not DCI Bentley Woodend's immediate boss Not Deputy Commissioner Naylor whose word is law in Scotland Yard Not even the dead girl's mother herself But Woodend cares Working alone sifting through the rubble of bombed out post war London and building up a picture of a life cut short he is assailed by a growing anger and a deepening sorrow He will find the murderer he promises himself even if that means putting his career and perhaps even his own life on the line

**Dangerous Games** Sally Spencer, 2013-12-01 Five little Englishmen feeling quite secure one went and lost his head and then there were four When Terry Pugh's headless body is found floating in the canal DCI Woodend at first believes that Pugh had merely miscalculated the amount of rope he needed to hang himself But why would Pugh commit suicide when he had a loving wife who was expecting their first baby and was just about to start an exciting new job Other disturbing questions soon follow in the first body's wake Who was the mysterious stranger Pugh was seen with just before he died What is the connection between him and the down and out who suffers a similar fate to his only twenty four hours later And how many more men are intended to die As the investigation proceeds Woodend and his team come to realize that the key to solving the crimes is hidden in the past and on an island far far away

Blackstone and the Wolf of Wall Street Sally Spencer, 2011-04-01 A resourceful hero complements a sophisticated plot Publishers Weekly Starred Review The new Inspector Sam Blackstone mystery August 1900 William Holt a reclusive millionaire businessman has been kidnapped from his grand Coney Island home after the brutal murder of his two bodyguards Soon a huge ransom is demanded and the victim's two sons are given just days to find the money Inspector Sam Blackstone now seconded to the New York Police Department and his partner Alex Meade are charged with solving the case but they'll need to keep their wits about them if they are to solve it in time

*The Dark Lady* Sally Spencer, 2012-08-01 Chief Inspector Charlie Woodend will

have to rely on his observational gifts to have a ghost of chance in solving his latest murder case The night after the mysterious appearance of the legendary Dark Lady on the road outside Westbury Park a German efficiency expert Gerhard Schultz is found battered to death in the woods and Chief Inspector Charlie Woodend is faced with his most puzzling case yet Why did Schultz seem so frightened when on his colleagues mentioned the legend of the Dark Lady Did the workers at the BCI chemical factory many of whom are known to hate the Germans have anything to do with his death How could Fred Foley the tramp whose bloodstained overcoat was found close to the scene of the crime have completely disappeared And is this murder connected with one which occurred in Liverpool nearly twenty years earlier A very successful British procedural nicely complicated by leftovers from both local lore and the war Library Journal Excellent work from a too little known author Booklist Enemy Within Sally Spencer,2013-02-01 a standout among her reliably entertaining procedurals Kirkus Starred Review The tenth in the acclaimed Inspector Woodend series There had never been a murder in Whitebridge like this one What kind of man would decide to slash the throat of an inoffensive middle aged widow who was already terminally ill Why did he decide to place her lifeless body in the middle of a children s bonfire and then set it alight It is the most difficult and complex case in Woodend s career but the two people he most relies on DI Rutter and DS Paniatowski are being torn apart by their personal problems As he struggles on almost single handedly he comes to the reluctant conclusion that he is being forced to participate in the killer s game without even knowing the rules Yet one thing at least is plain from the beginning For the game to continue there must be more deaths **Sins of the Fathers** Sally Spencer,2013-11-01 A politician spills his guts all over the road The discovery of Bradley Pine s body in a lay by off a busy road clearly signals the end of his bid to win the local bye election But what is even clearer from the state in which the corpse is found is that this is no ordinary murder Why would the killer run the risk of dumping the body in such a public place DCI Charlie Woodend asks himself And even more significantly why should he post mortem decide not only to reduce his victim s mouth to a pulp but also to partly disembowel him With the election looming and Chief Constable Marlowe Woodend s old enemy taking over Pine s place as candidate the pressure is on to come up with a result Any result But the more Woodend learns of the case the more he comes to believe that not only is the motive behind the murder at least as bizarre the crime itself but that the origins of the crime lie in a mountain climbing tragedy which occurred three years earlier *Death Watch* Sally Spencer,2013-12-01 This is the new Charlie Woodend mystery Angela Jackson a young girl abducted from Whitebridge Corporation Park has been missing for over twenty four hours and in the opinion of Dr Stevenson the psychiatrist who Woodend turns to for advice her kidnapper will first torture and then kill her Woodend is aware of the damaging strains operating within his own team Inspector Bob Rutter seems unable to control his infatuation with the unscrupulous journalist Elizabeth Driver while Sergeant Monika Paniatowski is rapidly developing a deep affection for Rutter s small daughter Louisa And Woodend s old enemy Chief Constable Marlowe is hovering in the background like a malevolent bird of prey just waiting for the chief

inspector to make a mistake The more the investigation proceeds the less Woodend can see any signs of hope And he knows deep within himself that he will fail in bringing Angela back alive      **Blackstone and the New World** Sally

Spencer,2011-04-01 The new Inspector Sam Blackstone mystery July 1900 New York City Sam Blackstone has gone to New York to pick up a prisoner but he soon finds himself drafted in to investigate the murder of Inspector O'Brien who is famed for rooting out police corruption Working with an enthusiastic young detective who worshipped O'Brien Blackstone scours the city in search of the killer And the more he searches the more he becomes convinced that the police department doesn't really want the murder to be solved      **Red Herring** Sally Spencer,2012-12-22 The discovery of the body of a young red

haired school mistress lying in a pig pen with her face half eaten away is the beginning of a new investigation for Charlie Woodend But it is to be an investigation he is soon ordered to abandon when Helen Dunn the daughter of Wing Commander Dunn and a pupil at the school where the dead woman taught suddenly vanishes into thin air While Woodend and Rutter race against time in the desperate hope of finding the girl alive Woodend's bagman Monika Paniatowski continues to work on the murder under the supervision of the mysterious Chief Inspector Horrocks a Scotland Yard man who seems to have only a mild interest in finding the killer Are the two cases connected Woodend begins to wonder And if they are who is it who seems to be blocking both investigations at every turn      *Long Time Dead* Sally Spencer,2013-11-01 The latest Detective Chief

Inspector Woodend mystery When Captain Robert Kineally went missing from Haverton American Army base in Devon in 1944 it was generally assumed he had lost his nerve and deserted But now twenty years after the War ended a body found on the near derelict base seems to tell an entirely different story DCI Charlie Woodend has strong reasons for not wanting the case As a sergeant on secondment to the Americans he served at Haverton himself left it only a few days before the murder and he is personally involved However he is given the case and it is soon plain that while the British Government expects one outcome the American Government will be happy with nothing less than the opposite      **Dying in the Dark** Sally

Spencer,2013-10-01 It is one of the most brutal murders Chief Inspector Woodend has ever encountered Pamela Rainsford found on a lonely canal path in the middle of a dark night has not only been raped and strangled but her face has been hacked to pieces At first it seems a random killing but as the case progresses Woodend begins to suspect that the death of the mild mannered respectable secretary may have been a result of her own secret life And another secret life is having its consequences too as a result of his now ended affair with Sergeant Monika Paniatowski Inspector Bob Rutter's marriage is falling apart As the investigation proceeds Woodend finds himself beginning to understand the complex web of lies and deceptions which Pamela Rainsford has spun around herself but nothing he discovers could ever prepare him for a second death this one much closer to home      *Sequels* Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists

popular series identifies novels by character and offers guidance on the order in which to read unnumbered series      *Death of an Innocent* Sally Spencer,2012-12-22 Superior work from a best selling British author Library Journal A man and a young

woman are found blasted away by a rifle in a remote farmhouse on the Yorkshire moors But where is the farmer why did he have such swanky furniture in his living room and who on earth are the victims Charlie Woodend isn't amused with the people who are getting under his feet as he starts to grapple with these questions but his steps are abruptly halted when the Deputy Chief Constable decides that this time Woodend's high handedness has gone too far Woodend may have been suspended but his sense of justice can't let go And it won't let go however much resistance he encounters and from whom But as Woodend is depressed to discover when the people who are determined to keep you down are all powerful sheer will power just isn't enough

**Golden Miles** Clinton Walker, 2009 Golden Miles is a book about cars people and Australia in the late 60s and early 70s With the energy and irreverent humour of a fanzine the acuity of investigative journalism and the eye of an art book this new expanded edition of Golden Miles explores the archetypal product of Australian suburbia the muscle car Clinton Walker is the author of seven books and several hit documentaries including the 2001 series on the history of Australian rock Long Way to the Top A rambling journey that's provocative and lavishly illustrated as much for pop culture lovers as rev heads Sydney Morning Herald

**Dead Hand of History** Sally Spencer, 2011-04-01 The Woodend series has always been one of the best British police procedurals around Now Spencer has taken up a new series with Paniatowski in the lead and she proves again that she is in the league with Peter Turnbull and Lynda La Plante Library Journal The first book in the page turning DCI Monika Paniatowski British police procedural series set in the 1970s It will be no easy task to fill the shoes of a local legend like DCI Charlie Woodend the newly promoted Monika Paniatowski tells herself but given a little time she thinks she can grow into them Yet time is the one thing she does not have On her first day in the new job a severed female hand is discovered on the riverbank The obvious suspect is Stan Szymborska the victim's war hero husband though Paniatowski refuses to arrest him But is it the lack of evidence which is holding her back or is it the fact that he is not only the most attractive man she has met in a long time but also a fellow Pole Woodend is preparing to leave for a new life in Spain and Paniatowski is determined not to ask for his help But when her colleagues prove untrustworthy the urge to call him becomes almost irresistible

**Stone Killer** Sally Spencer, 2013-10-01 Spencer continues to display her mastery of the British procedural and this one is one of her best yet Booklist Starred Review Spencer expertly balances personal and professional angst in this tense compelling tale Kirkus Starred Review Prove my wife is innocent or the hostages die Never before has DCI Woodend had to work under such terrible and terrifying pressure He has just a few days at the most to find a flaw in the weighty evidence which led to Judith Maitland's conviction as a stone cold killer a few days to produce the real murderer But what if Judith really is guilty as charged What if she did in fact brutally butcher her lover Clive Burroughs in his own office as the facts seem to suggest How can Woodend produce the evidence when there is none to find As the hostage situation becomes tenser the hostage takers increasingly nervous the army itching to intervene at whatever the cost Woodend realizes that unless he can find an improbable rabbit to pull out of the hat the only way the siege will end is in

carnage     **A Walk with the Dead** Sally Spencer,2013-03-01 A killer who can't be classified a killer who can't be profiled When a young girl Jill Harris is murdered the case soon becomes personal for Monika Paniatowski She saw the victim looking distressed only hours before she was killed and Jill was the same age as her own daughter Louisa Driven by guilt and pity Monika throws herself into the investigation but both the chief constable who is away and Colin Beresford her right hand man think she is too emotionally involved to handle it What none of them know is that the killer is planning to strike again

The Salton Killings Sally Spencer,2012-07-15 Scotland Yard's Chief Inspector Charlie Woodend finds himself in a backwater village investigating a murder in this taut police procedural 1950s Cheshire England When the strangled body of teenager Diane Thorburn is found buried in the salt store Chief Inspector Charlie Woodend is pulled in from London to investigate An outspoken Northerner he does his policing the old fashioned way and he is convinced that Margie Poole Diane's best friend knows more about Diane's last movements than she is prepared to tell Then Woodend's inquiry turns up the death of another young girl a generation before The similarities in the two cases begin to look more sinister than mere coincidence Could there be a serial killer on the loose Spencer conjures a great sense of menace in the troubled village and her epilogue is a real stunner promising more from a very talented writer Booklist Spencer's US debut provides sturdy mystery mongering reliably quaint suspects and an unusually detailed list of clues Kirkus Reviews     **Death's Dark**

**Shadow** Sally Spencer,2014-03-01 A final bombshell will leave readers shocked in this brutal dark gripping and sometimes touching tale that is Spencer at her very best A must read Booklist Starred Review A nameless victim An unknown killer An impossible case for Monika Paniatowski Before she can even begin to track down the killer of the old woman dumped by the lonely canal Monika Paniatowski needs to find out who she is and no one seems to know Even when her daughter Louisa provides the vital clue it only makes life more difficult because the Chief Constable intent on making Paniatowski's life difficult refused to let her follow the obvious trail And it is not until there is a second even more brutal murder that Paniatowski realises she will have to call on the help of her old mentor ex DCI Charlie Woodend
