The Politics Of Projects:

Power and Politics in Project Management Jeffrey K. Pinto, 1996 **The Politics of Projects** Robert Block, 1983

The Politics of Projects Robert Block, Bob Block, 1983 Project Politics Nita A. Martin, 2016-04-08 The ability of individuals to work together to facilitate the delivery of a project can be a major factor in determining its success. By misinterpreting or even missing the signs of underlying political issues, a project manager will struggle to deliver projects successfully. Project Politics provides a framework for solving political concerns through the effective management of complex relationships. Nita Martin's structured approach will raise awareness and improve your ability to manage issues in the workplace. She shows that once you recognize the problems and take politics in your stride, you can successfully manage such environments. The first part of Project Politics presents theoretical concepts of human behaviour as a basis for structuring observations and understanding why people behave the way they do. The second follows the familiar project life cycle. Each project stage is considered in turn, and numerous case studies are presented with analyses that draw upon the concepts presented in Part I. Nita Martin uses psychology, influence, behaviour, and communication models, giving guidance on putting theory into practice and pointing out typical political situations throughout. For all management professionals who recognize the importance of politics in the workplace and wish to be armed with the tools to make a difference, Project Politics will provide the foundation.

The Politics of Pork Scott A. Frisch, 2013-01-11 First Published in 1999. This study develops a new way of studying pork barrel politics based on congressional behavior in the 1980s and 1990s. *Managing Politics and Conflict in Projects* Brian Irwin PMP, MSM, 2008. Managing Politics and Conflict in Projects is an easy-to-read, no-nonsense guide that walks you through the soft issues of project management, including communicating, negotiating, and influencing skills that are vital to your project success. Understand your organization's political climate and culture and ascend the corporate ladder to the next level as a project manager. Learn how to deal with political issues requiring complex organizational and interpersonal skills using valuable review points, tips, and a fictional narrative illustrating the book's main points. Improve and develop your leadership, interpersonal, and communications skills. Negotiate your political environment. Acknowledge and overcome challenges inherent in project management. Enhance your career by effectively utilizing politics and conflict. Recognize and interpret the barriers of communication. Be prepared to enter into a negotiation. Overcome cultural challenges.

The Politics of Transdisciplinarity Jeremias Herberg, Ulli Vilsmaier, 2024-09-06 This book discusses collaborative research as both a product of social and epistemic control and as a process of dealing with it. It offers fresh, multi-disciplinary perspectives on old questions that are gaining new urgency with the rise of participatory transdisciplinary and transformative research. The volume addresses the complexity of collaborative research at the interface of science, policy, and society and sheds light on a common dilemma: researchers and their collaborators tackling issues that require political and knowledge-based control. At the same time, collaborative research that involves diverse publics is difficult to predict or

regulate By examining the interplay of power and knowledge in these collaborations the book offers insights into how researchers navigate the dilemma of social and epistemic control This exploration is crucial for understanding the politics of transdisciplinarity Featuring contributions from various fields including transdisciplinary sustainability studies science and technology studies policy analysis participatory research and more the book discusses different methodologies practices theories and adaptations in response to the control dilemmas inherent in collaborative research to offer a deeper understanding of the nuanced relationship between power and knowledge within collaborative research *The Politics of Transdisciplinarity* will be a key resource for the reflexive researcher working with collaborative approaches at the interface of science policy and society It was originally published as a special issue of *Social Epistemology*

The Politics of Western Water Stephen C. Sturgeon, 2022-12-06 As the Democratic congressman from Colorado's Fourth District from 1949 to 1973 Wayne Aspinall was an advocate of natural resource development in general and reclamation projects in particular A political loner considered crusty and abrasive he carved a national reputation by helping secure the passage of key water legislation in the process clashing with colleagues and environmentalists alike Fiercely protective of western Colorado's water supply Aspinall sought to secure prosperity for his district by protecting its share of Colorado River water through federal reclamation projects and he made this goal the centerpiece of his congressional career He became chair of the House Interior Committee in 1959 and ruled it with an iron fist for more than a dozen years a role that placed him in a key position to shape the nation's natural resource legislation at a time when the growing environmental movement was calling for a sharp change in policy This full length study of Aspinall's importance to reclamation in the West clarifies his role in influencing western water policy By focusing on Aspinall's congressional career Stephen Sturgeon provides a detailed account of the political machinations and personal foibles that shaped Aspinall's efforts to implement water reclamation legislation in support of Colorado's Western Slope along the way shedding new light on familiar water controversies Sturgeon meticulously traces the influences on Aspinall's thinking and the arc of his career examining the congressman's involvement in the Colorado River Storage Project bill and his clash with conservationists over the proposed Echo Park Dam recounting the fight over the Frying Pan Arkansas Project and his decision to support diverting water out of his own district and exploring the battles over the Central Arizona Project in which Aspinall fought not only environmentalists but also other members of Congress Finally he assesses the Aspinall legacy including the still disputed Animas-La Plata Project and shows how his vision of progress shaped the history of western water development *The Politics of Western Water* portrays Aspinall in human terms not as a pork barrel politician but as a representative who believed he was protecting his constituents' interests It is an insightful account of the political financial and personal variables that affect the course by which water resource legislation is conceived supported and implemented a book that is essential to understanding the history and future of water in the West

Dams, Power, and the Politics of Ethiopia's Renaissance Tom Lavers, 2024-10-01 This is an open

access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations After more than a decade of construction Ethiopia is filling the Grand Ethiopian Renaissance Dam GERD a controversial dam with the potential to transform the hydrology and politics of the Nile Basin The GERD is the culmination of a dam building boom carried out over three decades and a key pillar of the Ethiopian Peoples Revolutionary Democratic Front s EPRDF efforts to bring about an Ethiopian Renaissance Dams Power and the Politics of Ethiopia s Renaissance provides a detailed examination of the domestic and international political dynamics that shaped Ethiopia s dam building drawing on extensive primary research including more than a hundred interviews with politicians technocrats consultants and donors The authors reflect on the implications of Ethiopia s dam building for broader debates about the role of the state in late development the dynamics of twenty first century dam building and the political economy of renewable energy transitions A central argument of the book is that Ethiopia s dam building is symbolic of the successes and failures of the EPRDF s developmental state On the one hand this dams boom enhanced electricity generation capacity while constituting a key element of the state infrastructure investment that turned Ethiopia into one of the world s fastest growing economies In contrast a politically driven decision making process undermined electricity planning contributed to an unsustainable debt burden and ultimately failed to provide reliable electricity access to key users Following the EPRDF s collapse the subsequent Prosperity Party government has taken steps away from the state led development model of its predecessor while labouring towards the final completion of the GERD Oxford Studies in African Politics and International Relations is a series for scholars and students working on African politics and International Relations and related disciplines Volumes concentrate on contemporary developments in African political science political economy and International Relations such as electoral politics democratization decentralization gender and political representation the political impact of natural resources the dynamics and consequences of conflict comparative political thought and the nature of the continent s engagement with the East and West Comparative and mixed methods work is particularly encouraged Case studies are welcomed but should demonstrate the broader theoretical and empirical implications of the study and its wider relevance to contemporary debates The focus of the series is on sub Saharan Africa although proposals that explain how the region engages with North Africa and other parts of the world are of interest Series Editors Nic Cheeseman University of Birmingham Peace Medie University of Bristol and Ricardo Soares de Oliveira University of Oxford

The Politics of Public-Private Partnerships in Western Europe Thomas Krumm, 2016-03-25

This comprehensive book provides a unique comparative policy analysis of public private partnerships PPPs in 14 Western European countries from Scandinavia to Greece bringing together important insights from government and politics as well as economics and institutional analysis Thomas Krumm focuses on political drivers for policy change in favour of PPPs and the supportive and limiting socioeconomic and institutional conditions Using comparative data he charts key policies and actors

involved in supporting collaboration between the State and private business organisations across Western Europe Students and scholars of public policy regulation and comparative politics among other disciplines will find this book to be useful in their research or teaching It will also be of substantial interest to PPP practitioners and other specialists in the subject

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **The Politics Of Projects**

In a global inundated with screens and the cacophony of fast transmission, the profound energy and emotional resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the regular onslaught of noise and distractions. However, situated within the musical pages of **The Politics Of Projects**, a captivating perform of fictional brilliance that impulses with natural thoughts, lies an wonderful journey waiting to be embarked upon. Composed with a virtuoso wordsmith, this interesting opus courses viewers on an emotional odyssey, gently revealing the latent potential and profound affect stuck within the delicate internet of language.
