Bolich, Ph. D. G. G. Bolich, 2007-04-02 The first in a five volume set this book reestablishes dress as a foundational context for crossdressing This major study demonstrates the interplay between sex gender and clothes especially as these relate to transgender behaviors of which crossdressing is the best known **The Power of Dress** Jacqueline Murray, 1989 Free Dress for Success Kent Welton, Max Comfort, 2006-11-03 *Free Dress For Success A Businessman s Guide To Sartorial Disarmament* Dress and Clothing in the Hebrew Bible Antonios Finitis, 2019-08-08 Built upon the flourishing study of costume this book analyses sartorial evidence provided both by texts of the ancient Near East and the Hebrew Bible The essays within lend clarity to the link between material and ideological examining the tradition of dress the different types of literature that reference the tradition of garments and the people for whom such literature was written The contributors explore sources that illuminate the social psychological aesthetic ideological and symbolic meanings of clothing The topics covered range from the relationship between clothing kingship and power to the symbolic significance of the high priestly regalia and the concept of garments as deception and defiance while also considering the tendency to omit or ignore descriptions of YHWH s clothing Following a historical sequence the essays cross reference with each other to create a milestone in biblical sartorial study *How to Read a Dress* Lydia Edwards, 2021-10-07 Fashion is ever changing and while some styles mark a dramatic departure from the past many exhibit subtle differences from year to year that are not

always easily identifiable With overviews of each key period and detailed illustrations for each new style How to Read a Dress is an appealing and accessible guide to women s fashion across five centuries Each entry includes annotated color images of historical garments outlining important features and highlighting how styles have developed over time whether in shape fabric choice trimming or undergarments Readers learn how garments were constructed and where their inspiration stemmed from at key points in history as well as how dresses have varied in type cut detailing and popularity according to the occasion and the class age and social status of the wearer This new edition includes additional styles to illustrate and explain the journey between one style and another larger images to allow closer investigation of details of dress examples of lower and working class as well as middle class clothing and a completely new chapter covering the 1980s to 2020 The latter demonstrates how the late 20th century and early 21st century firmly left the dress behind as a requirement but retained it as a perennially popular choice and illustrates how far the traditional boundaries of the dress have been pushed even including reference to a newly non binary appreciation of the garment and the intellectual shifts in the way women s fashion is both inspired and inspires With these new additions How to Read a Dress revised edition presents a complete and up to date picture of the dress in all its forms across the centuries and taking into account different sartorial and social experiences It is the ideal tool for anyone who has ever wanted to know their cartridge pleats from their R camier ruffles
