The Power Of Feelings :

The Power of Feelings Vivian Dittmar,2015-11-20 Your Feelings determine who you are and how you live your life Like most people you probably spend a lot of time and money trying to create or avoid certain feelings In order to liberate the true power of your feelings you need to understand their real purpose They are the keys to your emotional potential and intelligence Learn why feelings like anger sadness fear and shame are really the key to your clarity love creativity humility and natural authority and how you can unlock it

The Power of Feelings Nancy Chodorow,1999-01-01 Drawing upon her broad knowledge and background in social theory Chodorow argues that psychoanalysis gives an account of subjectivity that incorporates forms of wholeness and depth of experience without which we cannot have a meaningful life

Permission to Feel Marc Brackett, Ph.D.,2019-09-03 The mental well being of children and adults is shockingly poor Marc Brackett author of Permission to Feel knows why And he knows what we can do We have a crisis on our hands and its victims are our children Marc Brackett is a professor in Yale University's Child Study Center and founding director of the Yale Center for Emotional Intelligence In his 25 years as an emotion scientist he has developed a remarkably effective plan to improve the lives of children and adults a blueprint for understanding our emotions and using them wisely so that they help rather than hinder our success and well being The core of his approach is a legacy from his childhood from an astute uncle who gave him permission to feel He was the first adult who managed to see Marc listen to him and recognize the suffering bullying and abuse he'd endured And that was the beginning of Marc's awareness that what he was going through was temporary He wasn't alone he wasn't stuck on a timeline and he wasn't wrong to feel scared isolated and angry Now best of all he could do something about it In the decades since Marc has led large research teams and raised tens of millions of dollars to investigate the roots of emotional well being His prescription for healthy children and their parents teachers and schools is a system called RULER a high impact and fast effect approach to understanding and mastering emotions that has already transformed the thousands of schools that have adopted it RULER has been proven to reduce stress and burnout improve school climate and enhance academic achievement This book is the culmination of Marc's development of RULER and his way to share the strategies and skills with readers around the world It is tested and it works This book combines rigor science passion and inspiration in equal parts Too many children and adults are suffering they are ashamed of their feelings and emotionally unskilled but they don't have to be Marc Brackett's life mission is to reverse this course and this book can show you how

Mastering the Power of your Emotions 2nd Ed Elisha O. Ogbonna,2018-01-08 Mastering the Power of Your Emotions has a simple but undeniable premise Emotions are at the centre of everything we do If you can control your emotions you can control your life But as straightforward as this sounds most people are not the masters of their emotions This is evident by the epidemic of depression anxiety suicides violence and broken relationships in today's society To help correct this Elisha Ogbonna explores how temperament and character influences emotional response how to respond rather

than react to a situation the five Laws of Emotions how to handle rejection abandonment depression and grief and how to release and replace negative emotions with positive ones Using his personal experiences the laws of science real life examples and scripture and other stories Ogbonna pulls out all the stops to provide readers with a better understanding of good emotional health and the tips and tools to make sure they achieve it As he notes We can change our world workplace families and ultimately our lives for the better when we master our emotions

Directing The Power of Conscious Feelings

Clinton Callahan, 2014-11-30 This book is about feelings and the ways that we as individuals and as a culture have numbed ourselves against them It is about unleashing the possibility of conscious feelings to re make our lives into what really matters to us The Power of Conscious Feelings introduces readers to the concept of the personal numbness bar a measure set high by modern culture as a way of keeping everything cool under control and consequently out of touch This book provides the insight and the means for lowering that numbness bar You can feel more the author asserts You can regain the intelligence and energy of your feelings so long denied and dressed up to appear acceptable Being cool Callahan states allows you to look the other way about torture invasion pollution and injustice and to accept the generic malaise that characterizes so many relationships The central framework of the book is built with the Ten Distinctions for Consciously Feeling including Learning the potent difference between thoughts and feelings which most people confuse Sorting out feelings based in present from emotions based in the past or in somebody else's life Fully allowing that feelings are absolutely neutral energy and information neither good nor bad neither positive nor negative Each chapter is enriched with THOUGHTMAPS clear diagrams of ways we presently think and ways we could possibly think and supported by an abundance of practical experiments to try The Power of Conscious Feelings is so much more than a book of self help or inspiration Ultimately it is about our connection with and responsibility for the fate of the Earth When we are no longer numb we are freed from solitary confinement in our private world of thoughts and beliefs We emerge already connected with other human beings connected in the world of feelings we all have in common This book actually guides the reader through four distinct evolutionary stages from Personal to Relational to Transformational to Cultural in showing us how to use our adult feelings as the fuel for living our destiny as creators of sustainable culture Choosing numbness was probably unconscious for most of us But Callahan is committed to showing us step by step in this moment how we can change the mind and learn to consciously feel
