

A portrait of Desiderius Erasmus, a Dutch humanist, scholar, and writer. He is depicted from the chest up, wearing a black cap and a dark, fur-trimmed robe. He is seated at a desk, with his hands resting on an open book. The background features a wooden cabinet with a decorative panel and a shelf with books and a vase. The text "THE PRAISE OF FOLLY" is overlaid in a large, bold, serif font, and "DESIDERIUS ERASMUS" is overlaid in a smaller, bold, serif font below it.

The Praise Of Folly:

The Praise of Folly Desiderius Erasmus, 1979-01-01 First published in Paris in 1511 The Praise of Folly has enjoyed enormous and highly controversial success from the author's lifetime down to our own day The Folly has no rival except perhaps Thomas More's Utopia as the most intense and lively presentation of the literary social and theological aims and methods of Northern Humanism Clarence H Miller's highly praised translation of The Praise of Folly based on the definitive Latin text echoes Erasmus' own lively style while retaining the nuances of the original text In his introduction Miller places the work in the context of Erasmus as humanist and theologian In a new afterword William H Gass playfully considers the meaning or meanings of folly and offers fresh insights into one of the great books of Western literature Praise for the earlier edition In Praise of Folly Desiderius Erasmus, 2010 The Praise of Folly Desiderius Erasmus, 2017-12-11 Erasmus of Rotterdam wrote the essay The Praise of Folly during a week at Sir Thomas More's estate in Bucklersbury He later refined and extended the piece In it he personifies Folly as a god whose companions are likewise personified sins and human weaknesses His work criticizes the Catholic Church and culminates in a statement of Christian ideals Erasmus was a faithful Catholic but his text is considered a catalyst to the Protestant movement **The Praise of Folly** Desiderius Erasmus, 1887

The Praise of Folly Desiderius Erasmus, 2017-11-05 Erasmus of Rotterdam wrote the essay The Praise of Folly during a week at Sir Thomas More's estate in Bucklersbury He later refined and extended the piece In it he personifies Folly as a god whose companions are likewise personified sins and human weaknesses His work criticizes the Catholic Church and culminates in a statement of Christian ideals Erasmus was a faithful Catholic but his text is considered a catalyst to the Protestant movement *The Praise of Folly (Illustrated by Hans Holbein)* Desiderius Erasmus, 2019-11 In Civilization Kenneth Clarke states The first man to take full advantage of the printing press was Erasmus It made him and unmade him because in a way he became the first journalist He had all the qualifications a clear elegant style in Latin of course which meant that he could be read everywhere but not by everyone opinions on every subject even the gift of putting things so that they could be interpreted in different ways He poured out pamphlets and anthologies and introductions and so in a few years did everyone who had views on anything for ten years he was the most famous man in Europe Early in his journalistic career he produced a masterpiece of the Renaissance The Praise of Folly He wrote it staying with his friend Thomas More he said it took him a week and I dare say it's true To an intelligent man human beings and human institutions really are intolerably stupid and there are times when his pent up feelings of impatience and annoyance can't be contained any longer Erasmus's Praise of Folly was a dam burst of this kind it washed away everything popes kings monks of course scholars war theology the whole lot This edition also contains a brief life of Erasmus and Erasmus's epistle to Thomas More It is illustrated in monochrome woodcuts by Hans Holbein The Praise of Folly Desiderius Erasmus, 1887 **The Praise of Folly (Black Label Edition)** Desiderius Erasmus, 2018-08-27 In Praise of Folly starts off with a satirical learned encomium in which Folly

praises herself after the manner of the Greek satirist Lucian whose work Erasmus and Sir Thomas More had recently translated into Latin a piece of virtuoso foolery it then takes a darker tone in a series of orations as Folly praises self deception and madness and moves to a satirical examination of pious but superstitious abuses of Catholic doctrine and corrupt practices in parts of the Roman Catholic Church to which Erasmus was ever faithful and the folly of pedants Erasmus had recently returned disappointed from Rome where he had turned down offers of advancement in the curia and Folly increasingly takes on Erasmus own chastising voice The essay ends with a straightforward statement of Christian ideals No Man is wise at all Times or is without his blind Side *In Praise of Folly (Illustrated)* Desiderius Erasmus, 2018-08-13 Rare edition with unique illustrations Erasmus of Rotterdam c 1466 1536 is one of the greatest figures of the Renaissance humanist movement which abandoned medieval pieties in favour of a rich new vision of the individual s potential Praise of Folly written to amuse his friend Sir Thomas More is Erasmus s best known work Its dazzling mixture of fantasy and satire is narrated by a personification of Folly dressed as a jester who celebrates youth pleasure drunkenness and sexual desire and goes on to lambast human pretensions foibles and frailties to mock theologians and monks and to praise the folly of simple Christian piety Erasmus s wit wordplay and wisdom made the book an instant success but it also attracted what may have been sales boosting criticism The Letter to Maarten van Dorp which is a defence of his ideas and methods is also included

The Praise of Folly Desiderius Erasmus, 2003
