The Complete Works of Athenaeus of Naucratis. Illustrated Athenaeus of Naucratis,2021-09-28 Athenaeus Naucratis was a Greek rhetorician and grammarian flourishing about the end of the 2nd and beginning of the 3rd century AD The Suda says only that he lived in the times of Marcus Aurelius Several of his publications are lost but the fifteen volume *Deipnosophistae* mostly survives Athenaeus himself states that he was the author of a treatise on the *thratta* a kind of fish mentioned by Archippus and other comic poets and of a history of the Syrian kings Both works are lost

Food and World Culture Linda S. Watts,Kelty Clark-Mahoney,2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to most people The story of food is a narrative filled with both human striving and human suffering However many of today s diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food s history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient s story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world s fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics
