The Prince And The Pauper:

The Prince and the Pauper Mark Twain, 1997-12-01 Tom Canty and Edward Tudor could have been identical twins. Their birthdays match, their faces match, but there the likeness stops. For Edward is a prince heir to King Henry VIII whilst Tom is a miserable pauper. But when fate intervenes, Edward is thrown out of the palace in rags, leaving ignorant Tom to play the part of a royal prince. Even those who have never read the novel will be familiar with Twain's classic tale of mistaken identity at once an adventure story and a fantasy of timeless appeal. For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world. With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators.

It was first published in 1881 in Canada before its 1882 publication in the United States. 1 The novel represents Twain's first attempt at historical fiction. Set in 1537 it tells the story of two young boys who were born on the same day and are identical in appearance: Tom Canty, a pauper who lives with his abusive alcoholic father in Offal Court off Pudding Lane in London, and Edward VI of England, son of Henry VIII of England. Loitering around the palace gates one day he meets Edward Tudor the Prince of Wales Coming too close in his intense excitement Tom is nearly caught and beaten by the Royal Guards However Edward stops them and invites Tom into his palace chamber There the two boys get to know one another Fascinated by each other's life and their uncanny resemblance to each other and learning they were even born on the same day they decide to switch places temporarily The Prince hides an item which the reader later learns is the Great Seal of England then goes outside however dressed as Tom he is not recognized by the guards who drive him from the palace He eventually finds his way through the streets to the Canty home There he is subjected to the brutality of Tom's alcoholic and abusive father from whom he manages to escape and meets one Miles Hendon a soldier and nobleman returning from war Although Miles does not believe Edward's claims to royalty he humors him and becomes his protector Meanwhile news reaches them that King Henry VIII has died and Edward is now the king Tom dressed as Edward tries to cope with court customs and manners His fellow nobles and palace staff think the prince has an illness which has caused memory loss and fear he will go mad They repeatedly ask him about the missing Great Seal of England but he knows nothing about it However when Tom is asked to sit in on judgments his common sense observations reassure them his mind is sound As Edward experiences the brutal life of a London pauper firsthand he becomes aware of the stark class inequality in England In particular he sees the harsh punitive nature of the English judicial system where people are burned at the stake pilloried and flogged He realizes that the accused are convicted on flimsy evidence and branded or hanged for petty offenses and vows to reign with mercy when he regains his rightful place When Edward declares to a gang of thieves that he is the king and will put an end to unjust laws they assume he is insane and hold a mock coronation After a series of adventures including a stint in prison Edward interrupts the coronation as Tom is about to be crowned as king The nobles are shocked at their resemblance and refuse to believe that Edward is the rightful king wearing Tom's clothes until he produces the Great Seal of England that he hid before leaving the palace Edward and Tom switch back to their original places and Edward is crowned King Edward VI of England Miles is rewarded with the rank of Earl and the family right to sit in the presence of the king In gratitude for supporting the new king's claim to the throne Edward names Tom the King's Ward a privileged position he holds for the rest of his life The ending explains that though Edward died at the age of 15 he reigned mercifully due to his experiences while Tom lived to be a very old man
