Roberts,2025-08-22 As I walked back through the City my mood was moderately elevated This appointment did not displease me nearly as much as I pretended Like most Romans I abhorred the very thought of sea duty but this was one of the rare occasions when I was looking forward to getting away from Rome For years I had complained of the disorder of the City and now that it was gone I found that I missed it All the peace and quiet seemed unnatural I did not expect it to last Decius Caecilius Metellus the Younger in SPQR IX The Princess and the Pirates His two years of aedileship over Decius is ready for his next adventure He would rather do anything than join the war with Caesar in the dismal forests of Gaul so he and his slave prot g Hermes find themselves on a mission to rid the Mediterranean of pirates They set off with shoddy ships and sailors to the island of Cyprus where a young Cleopatra is staying Between her impressive crew and the ex pirate Ariston providing insider knowledge of that cutthroat occupation Decius thinks he stands a good chance of bringing himself some glory That would be too simple though The ruler of the island Silvanus is murdered in a most peculiar fashion and Decius as a guest in his home has a sacred duty to find and punish the guilty party Because world relations are already strained he would rather not suspect Cleopatra heir to the Egyptian throne But she has plenty of reasons to hate Rome and murder runs in her family Another guest and suspect is Gabinius who is in exile and could have easily given up loyalty toward his friend if it meant a quicker return to Rome In the meantime Decius is being humiliated in his pirate hunt and as if this weren t enough Aphrodite herself seeks Decius s help by appearing to him in a dream vision As Decius investigates world trade the island history and the new kind of piracy plaguing the waters he is finding connections more menacing than he had ever imagined possible In this ninth book in the series Roberts crafts another skillful mystery this time fervently pulsing with the collision of Roman Greek and Egyptian interests **The Princess & The Pirate** Kat Davidson,2011-10-09 Phoenix Holloway knows she s in trouble when she wakes up on the Captain s Girl a 40 foot ketch with no land in sight But her troubles are just beginning because the arrival of Andrew McMillan a likely pirate if ever saw one means big trouble Mac will get her back to land but will she still be in one piece Because the thing about pirates You can lose your heart with just a kiss 48010 words **The Princess and the Pirate** ,2016-12-30 A fun little picture storybook about the unlikely mismatch between a princess and a pirate written and illustrated by a four year old The Homestead ,1929 The Princess and the Pirate David Butler,2005
