The Princess And The People:

A Biographical Memoir of the Public and Private Life of the ... Princess Charlotte Augusta ... illustrated with recollections ... accompanied by explanatory and authentic documents in an appendix. [With portraits, and a facsimile of her handwriting.] Consort of Leopold CHARLOTTE AUGUSTA (Prince of Saxe-Coburg),1817 **The Golden Princess** L.R Garner,2014-02 Alice took a deep breath and faced the menace As she did so Alwyn who had also recovered his feet rushed at her to drag her away to safety He grabbed her around the waist but Alice swept him aside with a powerful and almost casual swing of her arm sending him flying backwards the beast which had started to advance toward her stopped As Alice s power began to work on it it gradually began to shrink and fade She took one pace toward the beast and it disappeared completely from where he was lying Alwyn saw all that she did This was not the Alice he knew What he could see was a tall strong stone faced hard woman with eyes that were glowing white This was not his Alice *Old and New London: a Narrative of Its History, Its People and Its Places* George Walter Thornbury,1873 [The Princess's Spirit Trilogy #1-3: An Early 21st Century Liberty Movement Story](#) TaraElla,2017-02-20 The early 21st century is a time of unprecedented opportunity for those coming of age It is a time when many young adults set out to achieve their dreams be it starting their own business starting a political movement or propelling themselves to superstardom Angelle s dream is to become Cultural Royalty of Pacificland thus achieving what her mother couldn t Her vision is based on freedom dreams love and fairness for all However she soon finds that whilst change appears to be in the air the resistance is often even greater While the early 21st century is a time of opportunity for some many people remain left behind and tension and dissatisfaction is the order of the day in many areas of life The increasing pitch of the culture wars and the influence of global movements from the Tea Party to the Occupy Protests also combine to make Pacificland a daily ideological warzone Meanwhile Pacificland gets caught up in a meaningless political stalemate with reforms like marriage equality stalled seemingly forever With her own dreams on the line will Angelle stay true to her values And if she does will it be enough to make a positive difference Life isn t meant to be easy but are there rewards for the brave at the end While Angelle s story is fictional the perspective taken on the social and political movements of the 2000s and 2010s are inspired by real life accounts and represent the very real perceptions of real people living today **The Princess and the Witch** Nancy Schimmel,2025-07-30 Taking cues from Arthurian tales and folklore Schimmel gives modern day readers heroines whose adventures earn them the right to live their own lives free of male and royal expectations Margaret princess of Northumbria wakes up one morning to find she has been changed into a dragon She doesn t know why or how but she heard in a dream that her brother now in a faraway land must kiss her to break the spell But how can she tell him this She can only screech and roar Won t he think he must kill the dragon to save her Then she remembers a story her cousin told her And when Margaret is a princess again will she be satisfied with the quiet life of the castle or will she be off on a quest to save her brother from a mysterious illness And will her dragon side help her or get
