Bareboat Charter (Ship) Registration

Ademuni-Odeke,2023-08-21 This exhaustive book deals with the most important phenomenon in the evolution and development of international ship registration organisation and management Bareboat charters a system of leasing in which a person takes over a vessel for a limited time in return for a payment to the shipowner have become especially popular in the 1980s and 1990s Yet only the odd article or pamphlet has emerged in this vital area no comparable publication exists The uncertainties in this area demand a practical resource National legislation is not synchronised The distinction between bareboat charters and flags of convenience remains unclear These blurred lines and others can have dramatic results leaving ship mortgages unprotected and threatening the vessel's hull policy Bareboat Charter Ship Registration not only places the subject in the context of international law and trade relations it also sets out the country by country practice of all nations offering bareboat charter registration service and examines the determination of the bareboat flag Tables of cases conventions and legislation and an appendix of useful addresses add to the practicality of this book It is therefore a comprehensive easy to follow resource for academics including maritime organisations and schools economists and researchers as well as an invaluable guide for practitioners such as maritime administrations shipowners and managers insurers and brokers arbitrators and classification societies

Control of Trade with the Soviet Bloc United States.

Congress. Senate. Committee on Government Operations. Permanent Subcommittee on Investigations,1953 **Associated Ship and South African Admiralty Jurisdiction** Malcolm Wallis,2010-01-27 The Admiralty Jurisdiction Regulation Act 105 of 1983 was a radical and far reaching as well as overdue modernisation of South African admiralty law Described as bold innovative and comprehensive it introduced for the first time anywhere in the world the provisions enabling an action to be pursued by way of the arrest of an associated ship rather than the ship in respect of which the claim lay This work by one of South Africa's pre eminent shipping lawyers analyses the nature of this novel action That involves a review of how the jurisdiction came about its nature and impact the problems to which it gives rise and the making of some modest suggestions concerning the road ahead

Modern Maritime Law and Risk Management Aleka Mandaraka-Sheppard,2014-02-04 Modern Maritime Law and Risk Management provides comprehensive coverage of contemporary international admiralty and maritime law in an easily accessible style It brings together substantive law jurisdictional issues and international aspects of maritime liabilities and compensation with a practical discussion of modern risk management The book is an essential guide for marine lawyers worldwide students shipowners ship managers salvors shipbrokers mortgagees
