*Readings in Gender in Africa* Andrea Cornwall, 2005 This is a comprehensive overview on the existing literature on gender in Africa It covers areas such as Western perceptions colonial morality religion and politics

**Dialogue and Difference** M. Waller, S. Marcos, 2016-09-27 Calling for inclusion and dialogue these essays by an international group of feminist scholars and activists stress the need to put into relation seemingly discrepant approaches to reality and to scholarship in order to build coalitions across the usual North South and East West divides This diverse group of authors who spent fourteen weeks working collaboratively dispense with unity and seek instead to use dialogue and difference in their production of knowledge about effective political action The dialogues materialized here among women's movements that have emerged within different contexts and cosmologies take feminisms challenges to contemporary corporate globalization in new empirical and theoretical directions

**Against Empire** Zillah

Eisenstein,2004-08 In *Against Empire* Zillah Eisenstein extends her critique of neoliberal globalization Faced with an aggressive American empire hostage to ideological extremism and violently promoting the narrowest of interests she looks to a global anti war movement to counter US power      **Decolonizing the Academy** Carole Boyce Davies,Meredith Gadsby,Charles F. Peterson,Henrietta Williams,2003 *Decolonizing the Academy* asserts that the academy is perhaps the most colonized space At the same time the academy is a place of knowledge and transformation As we move into the 21st century it is becoming clear that the academy is one of the primary sites for the production and reproduction of ideas that serve the interests of colonising powers This collection of essays argues the possibility of re engaging the decolonizing process at the level of knowledge and asserts that this is an ongoing project worthy of being undertaken in a variety of fields      **Black Feminist Thought** Patricia Hill Collins,2002-06-01 In spite of the double burden of racial and gender discrimination African American women have developed a rich intellectual tradition that is not widely known In *Black Feminist Thought* Patricia Hill Collins explores the words and ideas of Black feminist intellectuals as well as those African American women outside academe She provides an interpretive framework for the work of such prominent Black feminist thinkers as Angela Davis bell hooks Alice Walker and Audre Lorde The result is a superbly crafted book that provides the first synthetic overview of Black feminist thought      *The Kpim of Feminism* Uzoma Ukagba George Uzoma Ukagba,George Uzoma Ukagba,2010-02 The idea behind *The Kpim of Feminism* was rooted in the mind of Fada Iroegbu in 2004 following a friendly but heated argument he had with Mrs Wioletta Ukagba the wife of one of the current co editors of this book who challenged Fada Iroegbu to direct his sharp brain and pen to the defence of women especially the Nigeria women who were and still are passing through various kinds of trans valuation of values economic exploitation cultural and scientific manipulations political marginalization and irredentism and various shades of sexualisation harassment exploitation and commercialization Fada Iroegbu took up this challenge to kpimize womanhood but unfortunately was unable to completely realise his dream before death struck As it is with many great and indefatigable minds or thinkers who left behind unfinished works we his friends family interlocutors well wishers men and women of good will have come together to actualize one of his felt knowledge dreams The fight for equality between women and men can sometimes not only be exaggerated but also plunged in controversy we cannot fathom The search for the truth about the relationship that ought to exist between male and female should constitute *The Kpim of Feminism* Dr George Uzoma Ukagba Editor University of Benin In light of the word feminism conjuring up different images to different people *The Kpim of Feminism* reflects the sensitivity and objectivity to the concept of feminism by scholars drawing from their fields and life experiences The book insists that women and men be encouraged to emancipate and empower one another together Dr Obioma Des Obi Editor Imo State University *The Kpim of Feminism* a rare harvest of academic erudition from across the globe showcases the different modalities from which issues theories and debates on feminism and other gender related polemics past present and future could be considered Dr Iks J Nwankwor Editor University of Uyo Without

World and show how the resistance they generate can impede development work and undermine the true collaboration and partnership necessary to promote a transnational feminist agenda With great clarity and in simple accessible language the contributors present complex ideas and arguments which hold significant implications for transnational feminism and development
