S. Belcher, 2024-09-04 First in the weird west Golgotha series set in a fascinating world that reads like a mashup of Buffy the Vampire Slayer and Deadwood RT Book Reviews Nevada 1869 Beyond the pitiless 40 Mile Desert lies Golgotha a cattle town that hides more than its share of unnatural secrets The sheriff bears the mark of the noose around his neck some say he is a dead man whose time has not yet come His half human deputy is kin to coyotes The mayor guards a hoard of mythical treasures A banker's wife belongs to a secret order of assassins And a shady saloon owner whose fingers are in everyone's business may know more about the town's true origins than he's letting on A haven for the blessed and the damned Golgotha has known many strange events but nothing like the primordial darkness stirring in the abandoned silver mine overlooking the town Bleeding midnight an ancient evil is spilling into the world and unless the sheriff and his posse can saddle up in time Golgotha will have seen its last dawn and so will all of Creation R S Belcher's *The Six Gun Tarot* is an astonishing blend of first rate steampunk fantasy and Western adventure Library Journal starred review A jaw dropping first novel that explodes across genre lines Wild gritty insanely inventive and a hell of a lot of fun Jonathan Maberry New York Times bestselling author If you want to see what Weird Westerns are all about there's no better place to start than *The Six Gun Tarot* Mike Resnick Hugo and Nebula Award winning author **The Six-gun Mystique Sequel** John G. Cawelti, 1999 To this structural analysis he adds a new account of the genre's history and its relationship to the myths of the West which have played such an influential role in American history BOOK JACKET The Max Brand Companion Jon Tuska, Vicki Piekarski, 1996 Or that Faust thought of himself as a poet writing prose as he put it to pay the bills Or that to pay the bills he constantly strove to surpass his record of some 20 000 publishable words a day and that he sold 99 percent of the fiction he wrote *The Max Brand Companion* serves to tell the reader about the man as well as the author charts the history of Faust's work and its derivations and presents works by Faust himself indicative of the scope and range of his imagination **Six Gun Gorilla** Simon Spurrier, 2014-06-25 Welcome to the Blister a bizarre other world colonized by humans sometime in the

22nd century which quickly became a hotly contested source of fertile land and natural resources long ago exhausted on Earth In this new frontier a rogue gunslinger and his companion wander across a wilderness in the grips of a civil war encountering lawlessness natives and perversions of civilization in a world at the crossroads between the past and the future The fact that said gunslinger is a bio surgically modified silverback gorilla toting a pair of enormous revolvers is neither here nor there *Sixgun Legacy* Evan Evans,1950 SIX GUN DEVIL DR. PAUL CRAWFORD,2025-08-01 The desert wind carried more than dust It carried whispers Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man s soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn **Twentieth-century Western Writers** ,1982 Lists writers of western fiction with a biography a bibliography of the writer s works and a critical essay on each writer Sometimes comments by the author himself are included The English Catalogue of Books Published from January, 1835, to January, 1863 ,1864 Twentieth-century Western Writers Geoff Sadler,1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index
