Small Miracles A. C. "Pete" Peters,2007-06 What Christian hasn t questioned their faith in God at some point during their lives Most people accept their faith blindly as children due to parental influence and Pete Peters was no exception An automobile accident at age sixteen changed everything Peters was speeding in a hilly area when his 1951 Ford convertible careened off a steep cliff and crashed one hundred feet below causing his younger brother David to suffer fatal injuries And so began Peters first question How can there be a God that allows innocent people to suffer and die for no reason In later years he witnessed family trauma senseless war famine two divorces and other atrocities From his point of view there was no God to care A self proclaimed intellectual atheist Peters still read about and discussed faith and over the years devoted much thought as to why he felt God logically could not exist After many small miracles eventually occur in his life Peters finally realizes that faith is a gift that is only given to those ready to accept it Peters tells his story in such a compelling and personal way that he will help anyone who is spiritually confused find their way back to God

bestselling author of *Win the Day* reminds us of the millions of miracles God performs every day and inspires us to live with a clearer sense of identity and purpose Think you've never experienced a miracle With all due respect you have never not In fact you are one There never has been and there never will be anyone else like you That isn't a testament to you It's a testament to the God who created you Your fingerprint, eyeprint, and voiceprint are unlike anyone else's Simply put you matter to God Most of us take everyday miracles for granted including the one that stares back at us in the mirror It's time to take them for gratitude Why is that so important Because whatever you don't turn into praise turns into pride The miracle of life becomes mundane We get so wrapped up in our own little world we end up worshipping a god who looks like us, acts like us, and thinks like us It's no wonder we've lost our wonder But there is a way to recapture holy curiosity In *A Million Little Miracles* New York Times bestselling author Mark Batterson reveals three miraculous truths that awaken us to the Creator and His creation 1 God Is Bigger Than We Think we can rest in His wisdom and strength 2 God Is Closer Than We Realize we never have to do life alone 3 God Is Better Than We Imagine we can reclaim our childlike wonder A million little miracles are waiting to be discovered including the miracle called you
