Social Problems in Canadian Society:

Social Inequality in Canada Alan Stewart Frizzell, Jon H. Pammett, 1996 Social Inequality in Canada brings a comparative perspective to the question of the uniqueness of Canadian society Do Canadians believe they can succeed on the basis of their own abilities And how do they compare with Americans Germans Italians Australians and Russians There is much debate as to how Canadians differ from or resemble citizens of other countries particularly the United States

Socialization and Values in Canadian Society: Socialization, social stratification, and ethnicity Elia Zureik, Robert M. Pike, 1975 **Power and Resistance** Wayne Antony, Jessica Antony, Les Samuelson, 2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to *Power and Resistance* use this critical perspective to explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on This sixth edition adds chapters on the corporatization of higher education the lethal impacts of colonialism democracy the social determinants of health drug policy and sexual violence on campus *People's Social Hopes* Grant Maxwell, 1975 **Canada's Economic Apartheid** Grace-Edward Galabuzi, 2006 This book draws attention to the growing racialisation of the gap between rich and poor Despite the dire implications for Canadian society the rift is increasing with minimal public and political attention The myths about the economic performance of Canada's racialised communities that are used to deflect public concern and to mask the growing social crisis are challenged in this relevant work Dr Galabuzi points to the role of historical patterns of systematic racial discrimination as essential in understanding the persistent over representation of racialised groups in low paying occupations While Canada embraces globalisation and romanticises cultural diversity there are persistent expressions of xenophobia and racial marginalisation that suggest a continuing political and cultural attachment to the concept of a White settled society *Social Problems* Lorne Tepperman, Josh Curtis, 2011 Current and Canadian this new third edition explores the dynamics and consequences of social problems such as poverty unemployment crime drug abuse health war and terrorism that impact Canada and the rest of the world Each problem is examined through a variety of theoretical paradigms before its impact both on individuals and society as a whole is explored Building on the success of the two previous editions the third edition expands its discussions on technology and Aboriginal issues and features two new chapters on education and the environment Compelling and comprehensive *Social Problems A Canadian Perspective* is essential reading for students wishing to understand crucial issues impacting society **Social Problems in Canada** Adie Nelson, Augie Fleras, 1995

Socialization and Values in Canadian Society, Volume Two Robert M. Pike (ed),1975 **Social Issues and Contradictions in Canadian Society** B. Singh Bolaria,1995-01-01 *The Vertical Mosaic* John A. Porter,1965
