*Cultures of the Jews, Volume 1* David Biale, 2006-01-10 Scattered over much of the world throughout most of their history are the Jews one people or many How do they resemble and how do they differ from Jews in other places and times What have their relationships been to the cultures of their neighbors To address these and similar questions some of the finest scholars of our day have contributed their insights to *Cultures of the Jews* a winner of the National Jewish Book Award upon its hardcover publication in 2002 Constructing their essays around specific cultural artifacts that were created in the period and locale under study the contributors describe the cultural interactions among different Jews from rabbis and scholars to non elite groups including women as well as between Jews and the surrounding non Jewish world What they conclude is that although Jews have always had their own autonomous traditions Jewish identity cannot be considered the fixed product of either ancient ethnic or religious origins Rather it has shifted and assumed new forms in response to the cultural environment in which the Jews have lived *Mediterranean Origins* the first volume in *Cultures of the Jews* describes the concept of the People or Nation of Israel that emerges in the Hebrew Bible and the culture of the Israelites in relation to that of neighboring Canaanite groups It also discusses Jewish cultures in Babylonia in Palestine during the Greco Roman and Byzantine periods and in Arabia during the formative years of Islam

**Al-Hind, Volume 1 Early Medieval India and the Expansion of Islam 7th-11th Centuries** André Wink, 2021-10-25 In this volume Andr Wink analyzes the beginning of the process of momentous and long term change that came with the Islamization of the regions that the Arabs called al Hind India and large parts of its Indianized hinterland In the seventh to eleventh centuries the expansion of Islam had a largely commercial impact on al Hind In the peripheral states of the Indian subcontinent fluid resources intensive raiding and trading activity as well as social and political fluidity and openness produced a dynamic impetus that was absent in the densely settled agricultural heartland Shifts of power occurred in combination with massive transfers of wealth across multiple centers along the periphery of al Hind These multiple centers mediated between the world of mobile wealth on the Islamic Sino Tibetan frontier which extended into Southeast Asia and the world of sedentary agriculture epitomized by brahmanical temple Hinduism in and around Kanauj in the heartland The growth and development of a world economy in and around the Indian Ocean with India at its center and the Middle East and China as its two dynamic poles was effected by continued economic social and cultural integration into ever wider and more complex patterns under the aegis of Islam Please note that *Early medieval India and the expansion of Islam 7th 11th centuries* was previously published by Brill in hardback ISBN 90 04 09249 8 still available

**Pillars in the History of Biblical Interpretation, Volume 2** Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are

related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed Selected Studies of Jan Gonda, Volume 6 Selected Studies, part 1 Gonda,2025-02-03 The print edition is available as a set of two volumes 9789004094468 **Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher,2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others Cassidy et al.: Women and Empire, 1750-1939, Vol. III Elizabeth Dimock,2021-12-24 First published in 2008 Women and Empire 1750 1939 functions to extend significantly the range of the History of Feminism series co published by Routledge and Edition Synapse bringing together the histories of British and American women s emancipation represented in earlier sets into juxtaposition with histories produced by different kinds of imperial and colonial governments The alignment of writings from a range of Anglo imperial contexts reveals the overlapping histories and problems while foregrounding cultural specificities and contextual inflections of imperialism The volumes focus on countries regions or continents formerly colonized in part by Britain Volume I Australia Volume II New Zealand Volume III Africa Volume IV India Volume V Canada Perhaps the most novel aspect of this collection is its capacity to highlight the common aspects of the functions of empire in their impact on women and their production of gender and conversely to demonstrate the actual specificity of particular regional manifestations Concerning questions of power gender class and race this new Routledge Edition Synapse Major Work will be of particular interest to scholars and students of imperialism colonization women s history and women s writing *Narrative and critical history of America, ed. by J. Winsor. [2 issues].* Winsor,1887 **Monks and Nuns, Saints and Outcasts** Sharon Farmer,Barbara H. Rosenwein,2018-08-06 A new generation of historians today is borrowing from cultural anthropology post modern critical theory and gender studies to understand the social meanings of medieval religious movements practices figures and cults In this volume Sharon Farmer and Barbara H Rosenwein bring together essays all hitherto unpublished that combine some of the best of these new approaches with rigorous research and traditional scholarship Some of these essays re envision the

professionals of religion the monks and nuns who carried out crucial social functions as mediators between living and dead repositories for social memory and loci of vicarious piety In their religious life these people embodied an image of the society that produced them Other contributions focus on social categories usually expressed as dichotomies male female insider outsider saint outcast Monks and Nuns Saints and Outcasts is the first book to show the interaction of seemingly antithetical groups of medieval people and the ways in which they were defined by as well as against each other All of the essays taken together form a tribute to Lester K Little pioneer in the study of religion in medieval society
