Social Work Ageing And Society:

Social Work, Ageing and Society C Paul Brearley, 2023-03-31 First published in 1975 Social Work Ageing and Society provides a basic understanding of the needs of older people in society It deals with the role of the old person in society and attitudes to old age as well as the physical emotional and social needs of the ageing individual It shows that material resources and social work skills can make a great deal of difference to the quality of life and health of elderly citizens and is concerned therefore not only with the process of ageing but also with the validity of techniques of social intervention against a background of limited practical resources for the elderly This book will be of interest to social work students and to members of other caring professions

Social Work, Ageing and Society C. Paul Brearley, 2022 First published in 1975 Social Work Ageing and Society provides a basic understanding of the needs of older people in society It deals with the role of the old person in society and attitudes to old age as well as the physical emotional and social needs of the ageing individual It shows that material resources and social work skills can make a great deal of difference to the quality of life and health of elderly citizens and is concerned therefore not only with the process of ageing but also with the validity of techniques of social intervention against a background of limited practical resources for the elderly This book will be of interest to social work students and to members of other caring professions

Social Work with Older People: Approaches to Person-Centred Practice Barbara Hall, Terry Scragg, 2012-03-16 This accessible book takes a unique person centred approach to working with older people and provides an introduction to the legislation policy theory and research needed by social workers The authors explore the experience of being an older person and how practitioners can work to make positive differences to older people's lives In addition the book Goes beyond the mechanistic care management approaches to social work and encourages the reader to see older people holistically Features case studies and exercises to assist readers in reflecting on their practice Examines a range of contexts and perspectives including sexuality spirituality learning disabilities Encourages wider reflection on the constraints posed by organisations employing social workers and the impact on their practice Provides an up to date exploration of safeguarding issues The authors take into account financial constraints with regard to the care of older people and the impact of a changing demography but remain upbeat and positive about the value of social work intervention Social Work with Older People is relevant for students on placement in adult services or voluntary organizations and social work practitioners working with older people Contributors Gill Butler Rick Fisher Chris Gaine David Gaylard John Gisby Vivienne Killner Andrea Linell Andy Mantell Debbie Smallbones Chris Smethurst Sally Stapleton Graham Tooth Christine Wright

Social Work Practice with Older People Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people

have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University Social Work with Older People Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people **Social Work with Older People** Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people Social Work with Older People will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users **Community Social Work, Older People and Informal Care** David S. Gordon, Sheena C. Donald, 1993 This work describes a comprehensive evaluation of the impact of locally based social workers upon a specific target population older people and their informal care The question of the relationship between the informal and the formal worlds of care lies at the heart of the book Social Work, Social Policy and Older People Robert Johns, 2011-01-04 It is essential for social work students to know about social policy to know why studying social policy is important in the social work degree and to understand how social policy when implemented has a real impact on the everyday life of vulnerable people This book provides plenty of examples of this impact tracing the development of welfare provision for older people right through the twentieth century leading up to an analysis of

contemporary developments which students will need to know about in order to practice effectively Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading **Social Work with Adults** Martin Brett Davies, 2012-03-20 This best selling book explores the crucial role of social workers in securing a better future for vulnerable and disadvantaged adult service users Tackling the problems most common to this branch of social work it focuses on four major themes personalization mental health substance use and old age Edited by the highly respected Martin Davies and with contributions from some of the leading names in the field Social Work with Adults provides a clear map and guidance to help navigate between the different elements of social work knowledge and practice Whether a student on an undergraduate degree taking a module on working with adults or a qualified professional wanting to ensure they are providing the very best service they can this is essential reading The breadth and depth of coverage makes this text a perfect handbook for students of adult social work
