

Social work face to face

Stuart Rees

Social Work Face To Face

Padhraic Smyth

Social Work Face To Face:

Social Work Face to Face Stuart Rees, 1979 Against a background of pleas both official and popular for greater involvement for more say in their affairs for clients consumers recipients of all sorts the author presents a dramatic picture of what really happens when Man meets Official communication emerges as the produce of half articulated ideologies preconceptions and ingrained social attitudes rooted in the past As the data unfold the obstacles to help on both sides reveal themselves as part of the fabric of their societal context Striking correspondences appear between the attitudes on either side of the counter and moral judgements implicit or explicit are seen to play a key role in the decision to seek or to give any form of support Dr Rees s many years of experience provide the basis for his proposals for improving social workers training and agencies organization of their resources His cases illuminated from both sides by verbatim transcriptions give the book an impressive immediacy and a relevance which no reassessment of theories and priorities can afford to ignore

Conversation Analysis for Social Work Gerald de Montigny, 2018-10-11 What do the stories youth in state care tell about life in their family of origin What stories do they tell us about coming into care living in care and relationships with foster parents and social workers This book presents the stories of youth in care though not in splendid isolation but as interactively produced turn by turn in interviews and in conversations with other youth By using tools from conversation analysis CA the author examines interviews with youth in care and social workers to unfold the essential and incorrigible reflexivity of story production CA allows us to grasp the ways that a youth s story emerges turn by turn and is an artefact of a social relation between a youth and an interviewer This text provides social work readers with a sense of art artistry and ambiguity at the heart of social interaction It will be required reading for all social work students and academics looking for a deeper more philosophical understanding of the profession

Advancing Global Social Work Rajendra Baikady, 2025-02-01 This book provides a machine generated overview of social work across the globe providing an in depth understanding on social work education practice and research It shows the latest developments in social work curriculum pedagogy practice research and clinical social work Each chapter is organized by the book editor with a human written introduction In a time when the world is facing several challenges and social work as a human service profession is getting global recognition and acceptance it is essential to generate evidence based literature on the development changes and challenges Chapters in this book help readers understand contemporary debates discussions and insights on global social work and its growth and development It is a one stop resource for scholars studying social work social policy social welfare social exclusion and inclusion sociology and other social science discipline as it presents the literature on the recent development of the field in one place The book is equally valuable to undergraduate and postgraduate social work students across all educational institutions without boundaries The auto summaries have been generated by a recursive clustering algorithm via the Dimensions Auto summarizer by Digital Science The editor of this book selected which Springer Nature content should be auto summarized

and decided its order of appearance Please be aware that these are extractive auto summaries which consist of original sentences but are not representative of its original paper since we do not show the full length of the publication Please note that only published SN content is represented here and that machine generated books are still at an experimental stage ,

International Perspectives on Social Work in Health Care Gail K Auslander,2014-02-04 In the new health care environment social workers are being called upon to act as case managers coordinators evaluators therapists and researchers International Perspectives on Social Work in Health Care brings together academics and practitioners to discuss what managed care cost containment corporatization and pre payment portend for social work s survival Its explanatory pages will help you understand the need for skills in networking mediation and advocacy how to link communities and institutions and how to conceptualize quantify and measure the outcomes of social work interventions In an effort to transcend traditional organizational and intellectual boundaries International Perspectives on Social Work in Health Care explores conflicts inherent to social work the need for new theoretical and practice models social work administration in changing health care organizations and developments in health social work research Seeking to unite policy and practice this guidebook addresses key issues trends and innovations in social work including services that enhance community health the transformation of health care in the U S into a market commodity a broader approach to health and health care to correct gender biases lifestyle changes and health promotion helping clients overcome patterns of denial fear and anger individual casework vs group community practice patterns of social work service provision in a rehabilitation hospital environment the effects of heterosexism on health and mental health services to lesbian and gay clients International Perspectives on Social Work in Health Care acts as a forum for contributing authors and readers to exchange and gain information and learn from each others experiences and expertise This is the book to help social work academics educators and practitioners work together to meet the demands and challenges of the increasingly complex health care environment

Social Work and the Third Way Bill Jordan,2000-10-23 This lively book critiques New Labour assumptions and implementation of policies related to citizenship communities and welfare reform and the implications of current developments for social work Focusing explicitly on the UK the book nevertheless draws on examples and comparisons from other countries including notably Australia and the US but also countries in the EU and Central and Eastern Europe and some of the concerns and arguments will be appreciated by readers elsewhere International Social Work This book is a well written contribution to both the British Third Way debate and the welfare state literature The book will appeal to upper level undergraduates as well as scholars of British politics and the welfare state Political Studies Jordan begins by establishing New Labour s suspicion of local government framing its policy on welfare Fundamentally there exists a need for social workers to educate themselves as to the nature of this social experiment which New Labour has embarked upon It challenges social workers to be aware This is an interesting and at times challenging book reiterating the history and roots of current ideology within government The

work is grounded in a contemporary context of social services and social work practice challenging the withdrawal of social work behind a barrier of managerialism budget control form filling into office based assessment and rationing Finally it offers a satisfying critique to the dominant hegemonic of evidence based practice arguing for research at the level of means rather than the technical Jordan similarly argues in his conclusion that all of the government white papers guidelines etc indicate a lack of clarity of purpose and method social work should retain its belief in a human and creative activity which engages with people s emotions as well as their rights and obligations British Journal of Social Work The New Labour government in the UK is committed to a programme of reform of the welfare state that will pull away safety nets and replace them by trampolines to bounce citizens back into active participation Its regime of tough love will make more demands on those claiming benefits and services as well as clamping down on dependency fraud and crime This will be done by changing the culture of welfare agencies towards promoting achievement and independence as well as meeting genuine need In Social Work and the Third Way Bill Jordan provides an accessible and lively analysis of the tensions between toughness and love in the Third Way s political philosophy and the problems of implementing New Labour s programme He looks at the government s reliance on face to face methods for activating citizens and changing their behaviour in many of its initiatives On the one hand New Labour places a surprising amount of faith in the ability of counsellors and advisers to bring about the changes it requires yet it is highly suspicious of the public sector in general and local authorities in particular as part of the forces of conservatism in the UK Hence it spawns new agencies and projects often with a strong enforcement ethos and regulates the whole implementation process through strict top down surveillance In all this professional social work and local authority social services are relegated to a tightly circumscribed role in social care The author argues for a new more generous and expansive approach to practice which can do justice to the challenges of change under New Labour s regime and in doing so Social Work and the Third Way provides an important and topical contribution to the debate on the future of the Welfare State and will be essential reading for students and researchers in social work social policy and politics

Encyclopedia of Social Work with Groups Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and

Social Work Face To Face Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work Face To Face has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work Face To Face has opened up a world of possibilities. Downloading Social Work Face To Face provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work Face To Face has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work Face To Face. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work Face To Face. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work Face To Face, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work Face To Face has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work Face To Face Books

1. Where can I buy Social Work Face To Face books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
