Social History Of The Matthean Community Cross Disciplinary Approaches:

Social History of the Matthean Community David L. Balch, 1991 What is Social-scientific Criticism? John Hall Elliott, Dan Otto Via, 1993 This book gives a clearly written authoritative introduction to social scientific criticism of the New Testament including the rise of this method its practitioners and the focal points of their work how the method is applied to the interpretation of the biblical text and the presuppositions and procedures of the method Four appendices glossary two bibliographies Matthew's Theology of Fulfillment, Its Universality and Its Ethnicity Herman C. Waetjen, 2017-10-19 The interpretation of this gospel integrates an objective analysis of its historical context and a subjective semantic disclosure of meaning To that end a close reading of the text is combined with consistency building in order to achieve textual congruence and plenitude of meaning The subject object split of traditional biblical scholarship that requires analysis in order to produce explanation as a definable object is superseded in this book by the event of reading as a dynamic happening of personal experience from which the reader cannot detach herself or himself Salvation in Continuity Mothy Varkey, 2017-09-01 It is clear that according to Matthew's Gospel Jesus came to save his people from their sins 1 21 to give his life as a ransom for many 20 28 to have his blood poured out for many for the forgiveness of sins 26 28 But if salvation as promised in 1 21 is achieved only through Jesus death asks Mothy Varkey are the twenty five preceding chapters merely preamble Varkey argues to the contrary that the key theme of salvation in the Gospel is presented by Matthew as being in continuity with God's saving acts in the history of the Jewish people Further Varkey insists that as a consequence of this theology of continuity Jesus death on the cross represents just one of the many ways in which the Gospel presents God's salvific deeds The death of Jesus while unique due to his ontological status as Son of God should not be distinguished too sharply from his saving acts during his earthly ministry which took the form of salvific teaching of the Torah healings exorcisms and forgiving of sins The result is a narrative emphasizing the continuity of salvation throughout Jesus life reaching into Israel's past and beyond into the work of the disciples **Matthew within Judaism** Anders Runesson, Daniel M. Gurtner, 2020-07-17 In this collection of essays leading New Testament scholars reassess the reciprocal relationship between Matthew and Second Temple Judaism Some contributions focus on the relationship of the Matthean Jesus to torah temple and synagogue while others explore theological issues of Jewish and gentile ethnicity and universalism within and behind the text Fair Play: Diversity and Conflicts in Early Christianity Ismo Dunderberg, Christopher Tuckett, Kari Syreeni, 2014-04-09 This collection of essays in honour of Heikki Rönkä New Testament professor at the University of Helsinki consists of 22 essays written by his colleagues and students on Jesus the gospels Paul early Christianity and biblical interpretation Rönkä's own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early

Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics

Early Christian Ethics in Interaction with Jewish and Greco-Roman Contexts Jan Willem van Henten, Joseph Verheyden, 2012-11-29 In Early Christian Ethics in Interaction with Jewish and Greco Roman Contexts experts from various fields analyze the process of transformation of early Christian ethics because of the ongoing interaction with Jewish Greco Roman and Christian traditions

Jesus, Matthew's Gospel and Early Christianity Daniel M. Gurtner, Joel Willits, Richard A. Burridge, 2011-10-27 The passing of Professor Graham Stanton former Lady Margaret chair of divinity at Cambridge University in 2009 marked the passing of an era in Matthean scholarship and studies of early Christianity Stanton s 15 books and dozens of articles span thirty four years and centre largely on questions pertaining to the gospel of Matthew and early Christianity The present volume pays tribute to Stanton by engaging with the principal areas of his research and contributions the Gospel of Matthew and Early Christianity Contributors to the volume each engage a research question which intersects the contribution of Stanton in his various spheres of scholarly influence and enquiry The distinguished contributors include Richard Burridge David Catchpole James D G Dunn Craig A Evans Don Hagner Peter Head Anders Runesson and Christopher Tuckett

Entering God's Kingdom (Not) Like A Little Child Eunyoung Lim, 2021-09-07 What does it mean to be like a child in antiquity How did early Christ followers use a childlike condition to articulate concrete qualifications for God s kingdom Many people today romanticize Jesus s welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts Eschewing such a Christian exceptionalist approach to history this book explores how the Gospel of Matthew 1 Corinthians and the Gospel of Thomas each associate childlikeness with God s kingdom within their socio cultural milieus The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader s attention to children s intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children
