Social Impact Of The Asia Crisis:

The Social Impact of the Asia Crisis Tran Van Hoa, 2000-11-30 Over the past two years the world has been preoccupied with the Asia crisis its contagion and its economic impact The social dimension of the turmoil has only recently become the point of focus for debates and investigations by national and international organizations This book is the first serious academic contribution to this important dimension and contains extensive research sound analysis and concise presentation by national and international experts on such issues as poverty education training health nutrition and employment for a number of major economies in Asia and Oceania affected by the crisis

The Social Impact of the Asian Financial Crisis Yunpeng Zhu, Hal Hill, 2001-01-01 This volume presents a scholarly insider's perspective on the Asian economic crisis examining the social economic and political consequences of the crisis in six influential Asian economies Indonesia Korea Malaysia the Philippines Taiwan and Thailand Each chapter contains an analysis of the events leading up to and during the crisis the social impacts and an assessment of possible futures for these countries The contributors expertise and use of up to date data ensures an integrated approach by which the process of economic change can be understood The book reveals that professional workers in the urban financial sector as well as manual labourers in the export sector felt the most dramatic effects Impacts on the latter group resulted in a significant rise in the population living below the poverty line The book emphasises the previous absence of strong social security nets and the need to strengthen macroeconomic policies and institutional legal regulatory and supervisory structures Other topics covered include intractable government corruption and fiscal management

Globalization and the Asia Pacific Economy Kyung Tae Lee, 2003-09-02 This book looks at globalisation in historical perspective and examines the experience of East Asian economies during the financial crisis provides an account of globalisation through the activities of Japanese multinational enterprises deals with the social consequences of exposure to the financial market risks of globalisation in East Asia details the experience of East Asian economies in managing the financial crisis draws lessons from East Asian experience with financial market liberalisation asks what approaches to international financial cooperation trade policy and corporate governance can assist East Asian interests in the world economy

Poverty and Global Recession in Southeast Asia Aris Ananta, Richard R. Barichello, 2012 This book started with an objective to understand the impact of high inflation on poverty and food security in Southeast Asia However the global economy moved quickly into recession in 2008 Anticipating that the impact of global recession would be more severe than that of high inflation in Southeast Asia we re focused the title of the book to Poverty Food and Global Recession in Southeast Asia By early 2010 people were already optimistic that the global recession was over or would be over soon However the evidence was mounting that the poor had suffered and were still suffering from the current global crisis even if the richer individuals may have recovered Therefore an important question arises Is the crisis really over for the poor This then became the sub title of this book This book aims to contribute a better understanding on poverty and food security in

Southeast Asia during the recent global recession considering both recent developments and the previous major crisis of 1997-98

The Asia Recovery Van Hoa Tran, 2001-01-01 This book explores in depth the major issues and important aspects of this economic recovery and its potential impact on growth development trade and investment Expert contributors also discuss the global directions in international economic and financial relations corporate and public governance and the challenges to be met and managed in the 21st century

Korea's Economic Miracle C. Harvie, Hyun-Hoon Lee, 2002-12-17 Korea one of the original Tiger Economies experiences a traumatic and largely unanticipated economic crisis in 1997-98 from which the country is still recovering Despite having achieved spectacular economic advances from the early 1960s the crisis laid bare numerous structural economic and policy weaknesses Charles Harvie and Hyun Hoon Lee chronicle and analyze the key factors behind Korea's economic miracle from 1962-1989 and the causes that contributed to the economic downturn and ensuing crisis of 1997-98 Is the Korean economy still fading or is its revival underway As the country undertakes a series of recovery measures the authors consider the importance of the ongoing restructuring efforts in the corporate and banking sectors the development of the new economy and the potential economic advantages to be derived from reunification with the North

The Quality of Life in Korea Doh Chull Shin, Conrad P. Rutkowski, Chong-Min Park, 2013-04-17 This is the first volume ever published to examine the objective and subjective qualities of Korean life from both comparative and dynamic perspectives It presents non-Western policy alternatives to enhancing the quality of citizens' lives distinguishing Korea as an Asian model of economic prosperity and political democracy The book is intended for academics policy makers and the general public interested in recent developments in Korea

Governments and Markets in East Asia Jungug Choi, 2007-01-24 The Asian economic crisis of 1997 to 1998 had a dramatic impact on the region's economies and its politics This book is a comparative study of five countries' experiences making important contributions to key theoretical debates on the relationship between economic performance and practical stability

International Trade and Capital Flows in Economic Restructuring and Growth: East Asian experiences Pierre-Bruno Ruffini, 2002-01-01 Touchée en 1997 par une crise d'une ampleur inégalée les économies d'Asie de l'Est ont tenté de contraindre à adapter leurs appareils de production et leurs régimes de change et de redéfinir leur position sur l'échiquier de la mondialisation Le livre écrit en anglais analyse les mécanismes de reconstruction indispensables à la survie et au développement de ces économies

Making of Southeast Asia Amitav Acharya, 2003-08-01 Amitav Acharya has written a splendidly ambitious book Travelling from the discipline of International Relations to the historiography of Southeast Asia and back again it draws upon a range of methodologies to analyse the issue of identity in the configuration of Southeast Asia But it provides more than an academic assessment With this book Acharya must be judged to have contributed not just to the study of Southeast Asian regionalism but to the process itself Anthony Milner Basham Professor of Asian History Australian National University
