How Social Movements Die Christian Davenport, 2014-12-22 How do social movements die Some explanations highlight internal factors like factionalization whereas others stress external factors like repression Christian Davenport offers an alternative explanation where both factors interact Drawing on organizational as well as individual level explanations Davenport argues that social movement death is the outgrowth of a coevolutionary dynamic whereby challengers influenced by their understanding of what states will do to oppose them attempt to recruit motivate calm and prepare constituents while governments attempt to hinder all of these processes at the same time Davenport employs a previously unavailable database that contains information on a black nationalist secessionist organization the Republic of New Africa and the activities of authorities in the US city of Detroit and state and federal authorities

Social Movements and the State Ghanshyam Shah, 2002-02-04 In Indian context

[Transnational Social Movements and Global Politics](#) Jackie Smith, Charles Chatfield, Ron Pagnucco, 1998-01-01 Transnational Social Movements and Global Social Politics examines a cast of global actors left out of the traditional studies of international politics It generates a theoretically informed view of the relationships between an emerging global civil society partly manifested in transnational social movements and international political institutions This book consists of fifteen essays all written by experts in the field The first three parts analyze the rise of transnational social movements in the context of broad twentieth century trends A fourth part builds a theoretical framework from which organizations influencing global governance can be viewed

The Lesbian and Gay Movement and the State Carol Johnson, Manon Tremblay, David Paternotte, 2011 By analyzing the relationship between lesbian and gay movements and the state this ground breaking book addresses two interconnected issues to what extent is the lesbian and gay movement influenced by the state and to a lesser extent whether the lesbian and gay movement has somehow influenced the state for instance by altering forms of sexual regulation Given the diversity in national trajectories this book covers fifteen countries This enables the volume to shed light on different kinds of

relationships between these groups and the state as well as on the way they have evolved in recent decades The Lesbian and Gay Movement and the State Comparative Insights into a Transformed Relationship fills an important gap in the literature on lesbian and gay activism However this book also provides important and innovative insights into broader issues in international political science public policy and comparative politics as well as issues in social movement studies These include the role of the state in constructing citizen identities the heteronormative way in which many traditional citizen entitlements and benefits were constructed state civil society relations judicial activism the impact of federalism and the increasing globalization of sexual identities
