Taboo, Personal and Collective Representations

Elizabeth Brodersen,2019-03-04

Taboo Personal and Collective Representations examines the symbolic nature of taboo asking what is the purpose of a taboo and how does it vary cross culturally The book focuses on the concept of taboo as an in between organizing principle which separates and differentiates stages through a ritual process of separation of order as clean blessed from disorder as polluted disassociated This book uses an interdisciplinary approach which compares the anthropological ethnological sociological and depth psychological perspectives of renowned scholars in their examination of taboos Unconscious conscious taboos influence how we perceive transitional indeterminate states across margins in the maturation and individuation processes The book argues that a taboo embodies the perilous symbolic meaning of such a rite of passage and that its emotional value and intensity in the form of symptomology varies across cultures Taboo Personal and Collective Representations will be of great interest to researchers academics and post graduate students in the fields of anthropology ethnology origins of religion race gender and depth psychology
