

SOCIAL CHANGE

Social change is defined by sociologists as alterations in the basic structures of society or a social group.

APPROACHES

Structural-functionalism

Social change should serve the best interests of society, with the goal of maintaining equilibrium and balance within the social system.

Conflict Theory

Social change happens suddenly when conflict boils over, upending the status flow.

EXAMPLE

The Industrial Revolution

The Industrial Revolution was a period of significant social and economic change marked by the widespread development of new technologies, transportation and communication systems, and the growth of factories and mass production. Urbanization, labor rights, and women's rights took center stage.

Social Structure And Change:

Adopting the Tune of Term: An Psychological Symphony within **Social Structure And Change**

In a global eaten by screens and the ceaseless chatter of instantaneous communication, the melodic beauty and psychological symphony produced by the prepared word frequently fade in to the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. But, located within the pages of **Social Structure And Change** a charming literary treasure overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that interesting masterpiece conducts readers on a psychological journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this poignant analysis, we can explore the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
