Social Work Themes Issues And Critical Debates:

Social Work Robert Adams, Lena Dominelli, Malcolm Payne, 2002 The second edition of this text has been thoroughly revised and updated to ensure that it continues to provide a comprehensive survey of social work practice and theory New chapters covering the changing nature of social work and advocacy and empowerment approaches have been included and the editors have added a new conclusion in which they reflect on the past present and future of social work All of the chapters have been revised to cover the most recent debates and developments in research and practice **Handbook for Practice Learning in Social Work and Social Care** Joyce Lishman, 2007-05-15 This substantially revised expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory knowledge research and evidence relating to practice learning in social care focussing on knowledge based practice with a focus on improving outcomes *Social Work: Themes, Issues and Critical Debates* Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study **Advances in Sociology Research** Leopold M. Stoneham, 2004 Presents original research results on the leading edge of sociology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum Understanding and Using Theory in Social Work Juliette Oko, 2008-06-10 Understanding how theory informs social work practice is an area that students can often find difficult to grasp Written in an accessible style this book introduces theory as a framework that social workers can draw upon to inform their decision making process Using the key skills of critical thinking and reflection this text encourages the reader to think about the formal and informal knowledge sources they can draw upon to guide their practice **Reflective Thinking in Social Work** Mekada Julia Graham, 2017-02-17 It is vital that social work students learn to integrate their personal and professional selves if they are to

meet the challenges of social work in complex changing environments This accessible text is designed to enable readers to explore and build on their existing skills and abilities supporting them to become competent and self aware reflective practitioners Reflective Thinking in Social Work uses stories told by a range of social work students to model reflective practice learning Discussing issues such as identity motivation to enter the social work profession and lived experiences in the journey into social work the book brings together stories of hardship privilege families hopes interests and community activism from many diverse ethnic backgrounds Each narrative is introduced by the author and ends with a commentary drawing out the key themes and exploring how the reader can use the narrative to enhance their own understanding and critical thinking and to engage in transformative practice Framed by an in depth discussion of available frameworks for reflective practice in different contexts and the importance of narratives in constructing identities this is an invaluable text for social work students at both bachelor s and master s degree levels

Effective Advocacy in Social Work

Jane Dalrymple, Jane Boylan, 2013-10-22 Advocacy is an essential skill for social workers who need to be able to speak confidently on behalf of service users in a range of situations In this new book Jane Dalrymple and Jane Boylan explore the theory and research behind advocacy to demonstrate how to achieve best practice Key topics covered include Independent advocacy Supporting self advocacy and decision making Challenging oppression Negotiating with organisations Each chapter includes rich case examples which help readers bring the discussion into the real life practice context Effective Advocacy in Social Work will be valuable reading for those studying social work at undergraduate and postgraduate level as well as those working in practice and in interprofessional contexts Jane Dalrymple is Senior Lecturer at the University of the West of England Jane Boylan is Senior Lecturer at Keele University

Social Work Process and Practice

David Watson, Janice West, 2006-04-13 This new textbook examines the knowledge skills and values that underpin and inform current social work practice and processes With a clear focus on skills social work processes and the suitability of different methods Watson offers students a toolkit for applying theoretical frameworks to actual practice situations

Homelessness and Social Work

Carole Zufferey, 2016-11-25 Drawing on intersectional theorising Homelessness and Social Work highlights the diversities and complexities of homelessness and social work research policy and practice It invites social work students practitioners policy makers and academics to re examine the subject by exploring how homelessness and social work are constituted through intersecting and unequal power relations The causes of homelessness are frequently associated with individualist explanations without examining the broader political and intersecting social inequalities that shape how social problems such as homelessness are constructed and responded to by social workers In reflecting on factors such as Indigeneity race ethnicity gender class age sexuality ability and other markers of identity the author seeks to construct a new intersectional framework for understanding social work and homelessness provide a critical analysis of social work responses to homelessness challenge how homelessness is represented in social work research social policy and social work practice

and incorporate the stories of people experiencing homelessness The book will be of interest to undergraduate and higher research degree students in the fields of intersectionality homelessness sociology public policy and social work Social Work Marie Connolly,Louise Harms,2011-09-30 Social workers practice across a wide range of settings with many different people Some work primarily with individuals some work with families or groups of people in therapeutic or community contexts while others focus on community advocacy community action and social change In such diverse disciplinary contexts the notion of theoretically informed practice can seem complicated Written as a core text the book captures the critical information students need to feel confident in the application of theory to practice Integrated case studies from both Australasian and international perspectives illustrate how theory works in practice and how theory facilitates change Social Work From Theory to Practice provides a comprehensive exploration of knowledge in practice the use of evidence as a basis for practice and the ways in which theory helps practitioners to understand make sense of and respond to complex human needs
