Socialist Management Planning Topics In Comparative Socialist Economics:

Socialist Management & Planning Nicolas Spulber, 1971 Comparison of economic planning and systems of economic administration in socialist countries and the role of USSR therein covers marx s economic theory and its application in the USSR collective economy examines investments prices economic development strategies different forms of management agrarian reforms trade agreements between CMEA countries international relations industrialization etc References and statistical tables Socialist Management and Planning Nicolas Spulber, 1971 *Problems of Communism* , 1973

Economics Selections , 1972 **Yugoslavia** Francine Friedman, 1993-05 This reference work catalogues all English language books and journal articles about the former Yugoslavia It contains over 9000 entries arranged by subject and is fully indexed The bibliographic citations are arranged under broad subject headings geography history and so on The major subject headings are further broken down into easy to follow headings and sub headings Property and Industrial Organization in Communist and Capitalist Nations Frederic L. Pryor, 1973 *The Red and the Green* Frederic L. Pryor, 2014-07-14 Reorganizing the agricultural sector into large scale state and collective farms was the most radical transformation of economic institutions implemented by Marxist governments Frederic Pryor provides perspective on this unique experiment by comparing in a systematic and original fashion the changes in the organization of agriculture in all of the world s Marxist nations This approach allows not only a clearer understanding of the major lines of agricultural policy and organization in these nations but also a keener insight into the reasons underlying the variations among them What have been the doctrinal elements that have led to collectivization Why has the process of collectivization been so different in various nations How have the farms been organized both internally and within the larger economy How has the performance of agriculture differed between the various Marxist nations and comparable capitalist nations And what are the difficulties in reversing collectivization and moving back toward private agriculture In answering these questions *The Red and the Green* draws on a vast number of primary and secondary sources from many nations as well as from extensive interviews with farmers agricultural officials and specialists in more than a dozen Marxist nations Among books dealing with problems of communist economy this study is unrivaled in its broad scope combined with careful institutional and statistical analysis Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Whitaker's Five-year Cumulative Book List , 1968
