Society Of Captives A Study Of A Maximum Security:

The Society of Captives Gresham M. Sykes, 2020-09-01 The Society of Captives first published in 1958 is a classic of modern criminology and one of the most important books ever written about prison Gresham Sykes wrote the book at the height of the Cold War motivated by the world's experience of fascism and communism to study the closest thing to a totalitarian system in American life a maximum security prison His analysis calls into question the extent to which prisons can succeed in their attempts to control every facet of life or whether the strong bonds between prisoners make it impossible to run a prison without finding ways of accommodating the prisoners Re released now with a new introduction by Bruce Western and a new epilogue by the author The Society of Captives will continue to serve as an indispensable text for coming to terms with the nature of modern power

The Society of Captives Gresham M'Cready Sykes, 1962 *The Society of Prisoners* Renaud Morieux, 2019-10-03 In the eighteenth century as wars between Britain France and their allies raged across the world hundreds of thousands of people were captured detained or exchanged They were shipped across oceans marched across continents or held in an indeterminate limbo The Society of Prisoners challenges us to rethink the paradoxes of the prisoner of war defined at once as an enemy and as a fellow human being whose life must be spared Renaud Morieux redefines how we understand the notion of what a prisoner of war was before international legal and social conventions were introduced in the eighteenth century the distinction between a prisoner of war a hostage a criminal and a slave was not always clear cut Morieux then uses war captivity as a lens through which to observe the eighteenth century state how it transformed itself and why it endured In so doing he invites the reader to trace the history of the prisoners via a journey between Britain France the West Indies and St Helena

Mass Imprisonment David Garland, 2001-07-12 Mass Imprisonment examines what is known about the political and penological causes of the social phenomenon of the US prison system David Garland brings together papers by criminologists sociologists and historians to describe the impact of prison

Power and Pain in the Modern Prison Be Crewe, 2022 **Encyclopedia of Prisons and Correctional Facilities** Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia's 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility
