

The Sociological Perspectives

helpfulprofessor.com

FUNCTIONALISM

Social stability is a prerequisite for a healthy and strong society. Social institutions maintain social order.

CONFLICT THEORY

Society is built upon inequality on the basis of social class, gender, race etc. Social institutions maintain power inequality

SYMBOLIC INTERACTIONISM

Interactions are done through the exchange of words, signs, and symbols which have the power to shape thought.

Sociological Perspective On Politics

Patrick Vollmar

Sociological Perspective On Politics:

A Sociological Perspective on Politics Mildred A. Schwartz,1990 **Perspectives in Political Sociology** Andrew Effrat,1973 *Power, Politics, and Society* Betty A Dobratz,2015-10-14 Power Politics Society An Introduction to Political Sociology discusses how sociologists have organized the study of politics into conceptual frameworks and how each of these frameworks foster a sociological perspective on power and politics in society This includes discussing how these frameworks can be applied to understanding current issues and other real life aspects of politics The authors connect with students by engaging them in activities where they complete their own applications of theory hypothesis testing and forms of inquiry

Power, Politics, and Society Betty Dobratz,Lisa Waldner,Timothy Buzzell,2019-03-06 Power Politics and Society An Introduction to Political Sociology discusses how sociologists have organized the study of politics into conceptual frameworks and how each of these frameworks foster a sociological perspective on power and politics in society This includes discussing how these frameworks can be applied to understanding current issues and other real life aspects of politics This second edition incorporates new material on cultural divides in American politics emerging roles for the state the ongoing effects of the Great Recession and recovery the 2016 election social media and the various policies introduced during the Trump administration and how they affect people s lives Comparative Politics J. C. Johari,1982 **Politics and Social Theory** Will Leggett,2017-09-16 Under present social conditions neither social theorists nor political scientists can afford to ignore one another This book is a clear structured account of the relationship between politics and social theory examining both the political content of social theory and how social theory has illuminated our understanding of politics **What is Political Sociology?** Elisabeth S. Clemens,2016-09-06 With an entire discipline devoted to political science what is distinctive about political sociology This concise book explains what a sociological perspective brings to our understanding of the emergence reproduction and transformation of different forms of political order Crucially political sociology expands the field of view to the politics that happen in other social settings in the family at work in civic associations as well as the ways in which social attributes such as class religion age race and gender shape patterns of political participation and the distribution of political power Political sociology grapples with these issues across an enormous range of historical and geographic settings from the intimate relations that constitute family politics to the geo political scales of war and trade It requires an analytic toolkit that includes concepts of power social closure civil society and modes of political action Using these central concepts What is Political Sociology discusses the major forms of political order states empires and nation states processes of regime formation and revolution the social bases for political participation policy formation as well as feedbacks and the possibilities for new forms of transnational politics In sum the book offers an insightful introduction to this core perspective on social life

Handbook of Politics Kevin T. Leicht,J. Craig Jenkins,2009-11-28 Political sociology is the interdisciplinary study of power and the intersection of personality society and politics The field also examines how the political process is affected by

major social trends as well as exploring how social policies are altered by various social forces Political sociologists increasingly use a wide variety of relatively new quantitative and qualitative methodologies and incorporate theories and research from other social science cognate disciplines The contributors focus on the current controversies and disagreements surrounding the use of different methodologies for the study of politics and society and discussions of specific applications found in the widely scattered literature where substantive research in the field is published This approach will solidly place the handbook in a market niche that is not occupied by the current volumes while also covering many of the same theoretical and historical developments that the other volumes cover The purpose of this handbook is to summarize state of the art theory research and methods used in the study of politics and society This area of research encompasses a wide variety of perspectives and methods that span social science disciplines The handbook is designed to reflect that diversity in content method and focus In addition it will cover developments in the developed and underdeveloped worlds

The Handbook of Social Work Research Methods Bruce Thyer, 2009-10-15 Click on the Supplements tab above for further details on the different versions of SPSS programs The canonical Handbook is completely updated with more student friendly features The Handbook of Social Work Research Methods is a cutting edge volume that covers all the major topics that are relevant for Social Work Research methods Edited by Bruce Thyer and containing contributions by leading authorities this Handbook covers both qualitative and quantitative approaches as well as a section that delves into more general issues such as evidence based practice ethics gender ethnicity International Issues integrating both approaches and applying for grants New to this Edition More content on qualitative methods and mixed methods More coverage of evidence based practice More support to help students effectively use the Internet A companion Web site at www.sagepub.com/thyerhdbk2e containing a test bank and PowerPoint slides for instructors and relevant SAGE journal articles for students This Handbook serves as a primary text in the methods courses in MSW programs and doctoral level programs It can also be used as a reference and research design tool for anyone doing scholarly research in social work or human services

Social Change and Politics

Morris Janowitz, 2017-07-05 This classic study deals with social control in advanced industrial society especially the United States and particularly the half century after World War I The United States is representative of Western advanced industrial nations that have been faced with marked strain in their political institutions These nation states have been experiencing a decline in popular confidence and distrust of the political process an absence of decisive legislative majorities and an increased inability to govern effectively that is to balance and to contain competing interest group demands and resolve political conflicts Janowitz uses the sociological idea of social control to explore the sources of these political dilemmas Social control does not imply coercion or the repression of the individual by societal institutions Social control is rather the face of coercive control It refers to the capacity of a social group including a whole society to regulate itself Self regulation implies a set of higher moral principles beyond those of self interest Since the end of World War II the expanded scope of empirical

research has profoundly transformed the sociological discipline The repeated efforts to achieve a theoretical reformulation have left a positive residue but there have been no new conceptual breakthroughs that are compelling This book is a concerted and detailed effort organize and to make sense out of the vastly increased body of empirical research
