

SOCIOLOGICAL WONDERMENT

The Puzzles of Social Life

Paul Higgins

"In the best tradition of C. Wright Mills, this provocative and accessible book challenges students to question the nature of their taken-for-granted realities and to assume a sociological perspective. I know of no other book that so grips its audience with its engaging text, interactive writing style, and trenchant questions."

PETER ADLER, University of Denver

Sociological Wonderment The Puzzles Of Social Life

Rose Army

Sociological Wonderment The Puzzles Of Social Life:

Sociological Wonderment Paul Higgins,1994 **Sociological Wonderment** Roxbury Staff,1997-06-01 *The Riddles of Human Society* Conrad L. Kanagy,Donald B. Kraybill,1999-01-27 This textbook uses the riddles metaphor to introduce social analysis and to communicate the critical questioning aspects of sociology which are at the heart of its tradition The book teaches the student how to be aware of the social riddles around them and how to solve those riddles using sociological analysis Case studies in depth social analysis illustrations and discussion questions make it the perfect book for active learning **Thinking About Deviance** Paul Higgins,Mitch Mackinem,2008-06-27 Thinking About Deviance second edition explores how people participate in and produce the phenomena of deviance Through nineteen brief and provocative chapters such as Is Deviance Harmful or Helpful Once Deviant Always Deviant and Do You Get the Time Because You Did the Crime the book examines how everyone is involved in the many facets of deviance While a small portion of deviance may seem to be exotic done by people on the fringe of society deviance is an integral part of society and of conventional people s lives By using everyday instances of deviance familiar to college students such as shoplifting academic cheating underage drinking and smoking and examples from the media the book engages readers and enables them to develop more general thinking about deviance Through an interactive style in which the readers are asked questions and presented with hypothetical and actual situations for their thoughts the book creates a conversation with the readers It encourages readers to think about and question deviance including their participation in and their assumptions about it in ways they are unlikely to have done before *Drug Court* Mitchell B. Mackinem,Paul Higgins,2008 Drug Court Constructing the Moral Identity of Drug Offenders offers a richly detailed field research investigation of how drug court professionals work to help drug offenders become drug free and law abiding The book explores the less public and revealing world of drug court professionals as they judge and manage drug offenders Drug courts are the latest approach in America and in other countries for handling problem drug users More than 1 200 drug courts exist throughout the United States and its territories These courts developed out of the shifting emphasis on punishment and treatment of problem drug users Based on more than five years of field research in three drug courts in a southeastern state in the U S in two of which the senior author was the drug court administrator Drug Court explores how a team of drug court professionals transform drug offenders into drug court clients Judges administrators drug counselors lawyers and others compose the drug court team These drug court professionals face the challenge of deciding whether drug offenders are primarily criminals who have little if any desire to kick their habit or whether they are drug abusers who will work to abstain from using drugs Some of the questions answered in this book are Are the drug offenders appropriate clients for drug courts Are the drug court clients participating adequately within the drug court program Have the drug court clients performed successfully in the program to graduate Through their evaluation interpretation monitoring sanctioning and more drug court professionals judge the moral worth of drug offenders

as they treat and manage the offenders through drug court Drug Court will be of interest to a diverse audience including the areas of criminal justice law legal studies drug treatment counseling and sociology **American Book Publishing Record**,1995 *Sociological Abstracts* Leo P. Chall,1995 Subject Guide to Books in Print ,1991 *Forthcoming Books* Rose Army,1994-04 Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12

This is likewise one of the factors by obtaining the soft documents of this **Sociological Wonderment The Puzzles Of Social Life** by online. You might not require more become old to spend to go to the ebook opening as skillfully as search for them.
