The Sociological Predicament Alexander Thomas, 2025-04-17

A sociological phenomenon afflicts sociology itself academics think of themselves as the vanguard of the working class despite the fact that they are not working class as the noble willingness to side with the oppressed contrasts scholars reliance on authority to bolster their politics While there are no simple solutions to this contradiction a necessary beginning is for sociologists and other academics to acknowledge the reality of their own class privilege as members of the professional managerial class The Sociological Predicament is then a conscious and deliberate work of professional self loathing that traces the evolution of ideologies found in academia from the mid twentieth century to today which demonstrates the ways in which biases around class have given short shrift to the concerns of working class Americans in deindustrialized cities and towns that have ultimately turned away from and then against them Intellectuals have not historically been on the side of the oppressed but have been instrumental in developing ideologies that sustain the status quo and this book crucially asks whether academics presence on the left ultimately serves conservative ends

The Sociological Predicament Alexander Thomas, 2025 While there are no simple solutions to this contradiction a necessary beginning is for sociologists and other academics to acknowledge the reality of their own class privilege as members of the professional managerial class The Sociological Predicament is then a conscious and deliberate work of professional self loathing that traces the evolution of ideologies found in academia from the mid twentieth century to today which demonstrates the ways in which biases around class have given short shrift to the concerns of working class Americans in deindustrialized cities and towns that have ultimately turned away from and then against them

A Defence of History and Class Consciousness Georg Lukacs, György Lukács, Slavoj Žižek, John Rees, 2002-08-17 This work is commonly held to be the foundational text for Western Marxism As Stalinism took over in Russia Lukacs was subjected to attacks for deviation In the 1920s he wrote this response

Resistance and the Practice of Rationality Martin W. Bauer, Rom Harré, Carl Jensen, 2014-10-16

Resistance used to mean irrational and reactionary behaviour assuming that rationality resides on the side of progress and its parties The end of the Cold War allows us to drop ideological and prejudicial analysis Indeed we recognise that resistance is a historical constant and its relation to rationality or irrationality is not predetermined This volume asks to what extent are social scientific conceptions of resistances sui generis or borrowed from natural sciences by metaphor and analogy To what extent do the social sciences continue to be a social tribology lubricating a process of strategic changes Fifteen authors explore these questions from the point of view of different disciplines including physics biology social psychology history of science history of medicine legal

theory political science history police studies psychotherapy research and art theory The book offers a unique panorama of concepts of resistance and examines the potential of a general resistology across diverse practices of rationality **Kinship, Capitalism, Change** Michael J. Francisconi, 2013-04-11 First Published in 1998 Part of the Native Americans Interdisciplinary Perspectives series this volume looks at the informal economy of the Navajo from 1868 to 1995 In this study Dine is used in place of Navajo when referring to the people Since 1868 three major revolutions have integrated the Dine into the world capitalist system the establishment of military peace resulting in political control by the U S Government which then guaranteed the establishment of trading posts the stock reduction of the 1930 s which resulted in money becoming central to economic life and the importation of highly capital intensive extractive industries onto the Navajo Reservation
