

GARY DAVID COMSTOCK

GAY THEOLOGY WITHOUT APOLOGY

The Gay Theology

Thomas Bohache

The Gay Theology:

Gay Theology without Apology Gary David Comstock, 2009-12-01 fresh and bold a charter of hope In these fresh and bold essays Gary David Comstock finds God's liberating connection in scripture from the underside in nontraditional traditions and in body experience Candidly self-revelatory he shows how only in taking our own lives seriously can we be lovers of the world *Gay Theology without Apology* is both judgment on churchly oppression and a charter of hope for gay lesbian bisexual Christians on the edges of the church It is also truly an apologia a persuasive case for the richer more erotic more just and loving humanness of everyone of us James B Nelson Professor of Christian Ethics United Theological Seminary of the Twin Cities an important contribution a creative search for meaning Gary Comstock has taken the initiative to reconstruct Christian tradition out of his experience of mutuality and relationship as a gay man and has made an important contribution to the growing field of gay liberation theology His critique of heterosexism in the Bible leads to a creative search for meaning in the lives of those struggling for wholeness and new life in community Letty M Russell Professor of Theology Yale Divinity School a gripping testimonial all of us are enriched Starting from the ground of his own unfolding experience as a gay man Gary Comstock critically assesses Christian Scripture tradition and church practice as fragile but valued resources rather than monolithic authorities for nurturing a more inclusive human community This book is a gripping testimonial to the integrity of the gay way of being in the world At the same time it is a convincing demonstration of how all of us are enriched by fully honoring gayness as a valid way of being human and Christian Norman K Gottwald Professor of Biblical Studies New York Theological Seminary the real deviants are the homophobes Gay people generally will draw hope and support from this book and a lot of Christians will find in the author's thoughtfulness and humanity a real asset in battling their own Victorian resistance and rigidity Comstock reconfirmed my conviction that the real deviants are the homophobes William Sloane Coffin Former Senior Minister Riverside Church New York

Defying the Darkness J. Michael Clark, 2010-01-01 Clark's work is original in that he has inserted himself precisely as a gay scholar in the midst of an ongoing conversation far larger than that of the gay world including ecofeminism Judaism and Native American and shows especially how queer theory and ecofeminism can illuminate each other Richard L Smith author of *AIDS Gays and the American Catholic Church* The Pilgrim Press

The Gay Theology Kent Philpott, 1977-01-01

Radical Love Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However *Radical Love* is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace

Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians *The Gay Gospel?* Joe Dallas, 2007-02-01 In this updated edition of *A Strong Delusion* author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement

Towards a Theology of Gay Liberation Malcolm Macourt, 1977 *Towards a Theology of Gay Liberation* is a collection of papers which emerged from an SCM Movement pamphlet of that title and a conference with the same title which SCM sponsored following the considerable response to the pamphlet For perhaps the first time it presents contributions to the debate within the churches about same sex relationships from those who recognize that such relationships exist are often loving and are often between Christians All the writers are in general agreement with the gay rights movement and many are actively involved both in church thinking and in the Gay Christian Movement The common question to which the contributors address themselves however obliquely is What should the church s attitude be to the relationship between two people of the same sex where both are mature adults and both recognize that together they can more electively express their love for God and their fellow human beings by the way in which they share their lives Publisher s description

Jonathan's Loves, David's Laments Dirk von der Horst, 2017-03-24 *Jonathan s Loves David s Laments* uses early modern musical interpretations of David s Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference

Gay and Lesbian Theologies Elizabeth Stuart, 2017-09-08 Gay and lesbian theology has been one of the most distinctive voices to have emerged in Christian theology in the last 30 years It has placed lesbian and gay experience at the heart of the theological process Elizabeth Stuart one of the most prominent theologians in this field presents the first critical survey of gay and lesbian theology arguing that its emergence was nothing short of miraculous Gay and lesbian theologians managed to take a dominant Christian discourse which rendered them sinful sick and harmful to the common good and

transform it into a theology which argued that a person's sexuality provided the point of contact between God and themselves Stuart argues that miraculous though this was gay and lesbian theology has revealed itself to be bankrupt incapable of providing universally convincing reasons for the inclusion of lesbian and gay people and their relationships in the Church and unable to deal with the defining experience of lesbian and gay communities in the late twentieth century AIDS Stuart concludes that lesbian and gay people and their opponents in the Church have too easily bought into modern constructions of sexual identity and cut themselves off from a Christian tradition which is far more queer in that it refuses to accept the stability of gender and sexual desire Stuart argues that the only way out of the current deadlock on the issue of homosexuality in the Churches is for both sides to embrace this ancient queer tradition a Christian tradition which teaches that in the end gender and sexual identities have no ultimate importance *Gay Religion* Scott Thumma, Edward R. Gray, 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations if not North American society These heated theological and political debates have as well obscured the fact that many gays and lesbians are religiously active individuals *Gay Religion* is the first book to give a straightforward presentation of the spiritual lives practices and expressions of gays lesbians bisexuals and transgender Drawing from a wide range of religious traditions new and established scholars explore the range of gay religious expression in denominations sects and even outside recognized religious institutions The essays ask what these religious innovations mean to the continually evolving religious environment of North America With its helpful section introductions and an appendix providing profiles of organizations involved *Gay Religion* is a unique and compelling resource for anyone interested in homosexuality and American religion **Spiritual Direction & The Gay Person** James Empereur, 1998-01-01 Intended for counsellors and spiritual directors this text aims to assist gay men and lesbian women in relationships prayer liturgy and in the problems produced by their commitment to or rejection of institutional religion *A Special Illumination* Rollan McCleary, 2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles *A Special Illumination* offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion **New & Enlarged Handbook of Christian Theology** Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever Just Good Friends Elizabeth Stuart, 1995 A great deal has been

written about homosexuality and Christianity Although generally there is a conscious move towards understanding and incorporating the experiences of gay men and women the Church's response has been to treat homosexuality as a problem within sexual ethics However a growing number of gay and lesbian Christians influenced by liberation movements within and outside the Church are claiming a place in the Church and finding a voice in theological and ecclesiastical discourse Elizabeth Stuart suggests that gay people may have some important insights to contribute to theological reflection about sexuality marriage and celibacy most notably in the understanding of friendship to include our most intimate and committed relationships This is not a book about whether Christians should accept or affirm gay people and their relationships That debate goes on Dr Stuart's concern here is to ask supposing lesbian and gay people were equal in the sight of God what then might heterosexual people learn from them What new and creative ways of relating might emerge to the benefit of the whole community

A Theology of Gay and Lesbian Inclusion Donald G Hanway, 2012-12-06 Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian

Liberation Theologies in the United States Stacey M

Floyd-Thomas, Anthony B Pinn, 2010-03-01 *Liberation Theologies in the United States* reveals how the critical use of religion can be utilized to challenge and combat oppression in America. In the nascent United States, religion often functioned as a justifier of oppression. Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations, oppressed communities have also made use of religion to critique and challenge this abuse. As *Liberation Theologies in the United States* demonstrates, this critical use of religion has often taken the form of liberation theologies which use primarily Christian principles to address questions of social justice including racism, poverty, and other types of oppression. Stacey M. Floyd Thomas and Anthony B. Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development, context, theory, and goals of a range of U.S.-born liberation theologies: Black Theology, Anthony B. Pinn, Womanist Theology, Stacey M. Floyd Thomas, Latina Theology, Nancy Pineda Madrid, Hispanic/Latino Theology, Benjamín Valentín, Asian American Theology, Andrew Sung Park, Asian American Feminist Theology, Grace Ji Sun Kim, Native Feminist Theology, Andrea Smith, Native American Theology, George Tink Tinker, Gay and Lesbian Theology, Robert E. Shore Goss, Feminist Theology, Mary McClintock Fulkerson. An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U.S. context. Written in an accessible and engaged way, this powerful and informative text will inspire beginners and scholars alike. I highly recommend it. Kwok Pui-lan, author of *Postcolonial Imagination and Feminist Theology*. A delight to read and an exemplary account of the genre of liberation theologies. *Religious Studies Review*. **Christology from the Margins** Thomas Bohache, 2008. Provides a comprehensive queer discussion of Christology concluding with the view of Christ's person and work from a queer perspective. Suitable for undergraduate study. **Women and Christianity** Cheryl A. Kirk-Duggan, Karen Jo Torjesen, 2009-12-22. This work explores the impact of Christian women as scholars and leaders representing the ethnic, national, racial, and denominational diversity of Christianity today on all aspects of life. *Women and Christianity* explores the experiences of women and how their daily lives interface with their spirituality and faith. Beginning with a historical overview, the book presents essays grouped under five broad headings: women, family, and environment; socioeconomics, politics, and authority; body, mind, and spirit; sex, power, and vulnerability; and women, world view, and religious practice. These essays focus on multiple aspects of women's experiences and contemporary Christian realities involving the interrelatedness of faith, thought, and activism across many strata of global society. They wrestle with the daily experiences and challenges women face integrating their lives as women of faith as they are advocates, experience agency, and work for mutuality. It shows how in all these roles, women must negotiate power, injustice, and the impact of sexism as they work within systemic oppression amid a patriarchal system, nevertheless championing change and refusing to be severely compromised. **Gay Theology Without Apology** Gary David Comstock, 1993. Presenting a theology forged out of personal experience, informed and guided by Scripture and tradition, Comstock holds up the contradictions in the Bible and examines the various facets of Jesus, not to

condemn inconsistencies but to draw from them the strengths and beauty they may hold for everyone who claims Christianity as his or her faith *Religion and LGBTQ Sexualities* Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes *Men and Masculinities in Christianity and Judaism* Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men's privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study

While this might not be the The Gay Theology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gay Theology eBooks, including some popular titles.

FAQs About The Gay Theology Books

What is a The Gay Theology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Gay Theology PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gay Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gay Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gay Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
