The General Strike Of 1926 The Economical Political And Social Causes Of That Class War

Thomas Heyck

The General Strike Of 1926 The Economical Political And Social Causes Of That Class War:

The General Strike of 1926 R. A. Florey, **A lark for the sake of their country** Rachelle Saltzman, 2018-02-28 A lark for the sake of their country tells the tale of the upper and middle class volunteers in the 1926 General Strike in Great Britain With behaviour derived from their play traditions the larks rags fancy dress parties and treasure hunts that prevailed at universities and country houses the volunteers transformed a potential workers revolution into festive public display of Englishness Decades later collective folk memories about this event continue to define national identity Based on correspondence and interviews with volunteers and strikers as well as contemporary newspapers and magazines novels diaries plays and memoirs this book recreates the context for the volunteers actions It explores how the upper classes used the strike to assert their ideological right to define Britishness as well as how scholars novelists playwrights diarists museum curators local historians and even a theme restaurant have continued to recycle the strike to define British identity **A History of Modernist Literature** Andrzej Gasiorek, 2015-06-15 A History of Modernist Literature offers a critical overview of modernism in England between the late 1890s and the late 1930s focusing on the writers texts and movements that were especially significant in the development of modernism during these years A stimulating and coherent account of literary modernism in England which emphasizes the artistic achievements of particular figures and offers detailed readings of key works by the most significant modernist authors whose work transformed early twentieth century English literary culture Provides in depth discussion of intellectual debates the material conditions of literary production and dissemination and the physical locations in which writers lived and worked The first large scale book to provide a systematic overview of modernism as it developed in England from the late 1890s through to the late 1930s **Nonviolent Action** Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject **The Unknown Lloyd George** Travis L. Crosby, 2014-01-24 David Lloyd George is widely regarded as one of the most effective British prime ministers of the twentieth century A dynamic speaker and committed social reformer he led Britain successfully through the devastation of World War I and had a powerful impact on international politics In the post war peace treaties he sought a just rather than a vengeful settlement for the defeated powers in an

attempt to preserve a peaceful international order Whilst Lloyd George's achievements were undoubtedly substantial his political record was not entirely without blemish and in his personal life he was a fascinating and complex character Renowned as a womaniser after 1913 he retained two separate households one with his wife and one with his mistress his former private secretary Based on extensive research Travis L Crosby provides a fresh appraisal of the life of one of Britain's most conflicted politicians *Annotated Bibliography of Works About Sir Winston S. Churchill* Curt Zoller, Richard M. Langworth, 2015-06-01 This unique resource will be an enormous aid and impetus to Churchill studies It lists over 600 works with annotations and includes sections listing an additional 5 900 entries covering book reviews significant articles and chapters from books Separate author and title indexes will allow the user to locate specific entries The book's aim is to direct students researchers and bibliophiles to the entire corpus of works about Churchill **Legacy of Empire** Werner Glinga, 1986 Lifetimes of Commitment Molly Andrews, 1991-05-31 Explores the ways in which political belief is developed and sustained throughout the course of a lifetime Through interviews it focuses on the lives of 15 British men and women aged between 70 and 90 who have dedicated half a century or longer to working for social change and justice **Historical Studies in Industrial Relations**, 2006 **Woolf: A Guide for the Perplexed** Kathryn Simpson, 2016-02-25 Virginia Woolf is one of the best known and most influential modernist writers an iconic figure her image and reference to her work and life appear in the most varied of cultural sites Her writing is however in many ways kaleidoscopic and has given rise to a diverse and sometimes conflicting body of critical work Whilst Woolf envisaged that her readers could be fellow workers in the creative process there is much to perplex any reader approaching her writing especially for the first time Drawing on some of the main critical debates and on Woolf's non-fictional writings this guide untangles some of the difficulties and perplexities that can prove a barrier to understanding of Woolf's writing These include aspects of the process of writing such as narrative techniques formal structures characterisation as well as the thematic concerns so central to Woolf's writing the cultural context in which it emerged and to recent criticism including representations of gender and sexuality class and race Geschichte Großbritanniens im 20. Jahrhundert Franz-Josef Brüggemeier, 2010-11-16 Um 1900 war Großbritannien auf dem Höhepunkt seiner Macht und besaß ein riesiges Empire Kein anderes Land hatte damals einen ähnlich hohen Grad an Urbanisierung und Industrialisierung erreicht Auch Konsumgesellschaft und Populärkultur waren deutlich weiter entwickelt Nirgendwo sonst vollzogen sich aber auch der Rückgang der Industrie und der Aufstieg der Dienstleistungen so früh und so grundlich Dieser zeitliche Vorsprung Großbritanniens hatte Vor- und Nachteile Viele Entwicklungen dauerten länger als auf dem Kontinent wo man auf britische Erfahrungen aufbauen konnte Zugleich blieb den Briten aber mehr Zeit sich auf die Veränderungen einzustellen Das geschah nicht ohne Gewalt insbesondere in den Kolonien Doch die gesellschaftlichen Konflikte verliefen deutlich friedlicher als etwa in Deutschland so dass George Orwell als wichtigste Eigenschaft der Briten hervorhob einander nicht zu töten Mit viel Sympathie für seinen Gegenstand porträtiert Franz Josef Brüggemeier Großbritannien im 20.

Jahrhundert und öffnet den Blick für die Vielfalt der britischen Geschichte

The Cambridge Companion to British Literature of the 1930s James Smith, 2019-12-19 Explores 1930s authors genres and contexts giving fresh attention to well known authors and bringing new writers and approaches to the fore

A History of the Peoples of the British Isles Thomas Heyck, 2019-06-19 Volume III deals with the long twentieth century Its main themes are the contraction of British industrial power and the shift to a service based economy the decline of Victorianism and the rise of Modernism the climax of class society between the wars and the blurring of class lines after the 1960s the impact of two world wars the decline of British power and the empire the partition of Ireland the devolution of power to Wales and Scotland

Nation, 1926

The Sources of Social Power: Volume 3, Global Empires and Revolution, 1890-1945 Michael Mann, 2012-09-17 This third volume of Michael Mann's analytical history of social power focuses on the interrelated development of capitalism nation states and empires

A Kingdom on Earth Paul T. Phillips, 1996 Social Christianity was a major force in the life of the United States Canada and Britain for more than sixty years beginning in the closing decades of the Victorian age As a tide of concern swept through Protestantism in the face of mounting social ills Social Gospelers and Christian Socialists urged a less competitive more compassionate society They pioneered in many fields of modern social science and actively engaged in social work and party politics In *A Kingdom on Earth* Paul T Phillips provides an unusually broad view of the movement from both sides of the Atlantic including the usually neglected Canada He is also unique in carrying the story up to 1940 thereby tying Social Christianity to the origins of the welfare state Using a wide range of sources *A Kingdom on Earth* places the activities of Social Christians firmly in the social and cultural contexts of the day Phillips's analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves In spite of these worldly aspects however Phillips finds that the inspiration and essence of the movement were essentially religious

Media and Power James Curran, 2012-12-06 Media and Power addresses three key questions about the relationship between media and society How much power do the media have Who really controls the media What is the relationship between media and power in society In this major new book James Curran reviews the different answers which have been given before advancing original interpretations in a series of ground breaking essays This book also provides a guided tour of the major debates in media studies What part did the media play in the making of modern society How did new media change society in the past Will radical media research recover from its mid life crisis Is public service television the dying product of the nation in an age of globalization Media and Power provides both a clear introduction to media research and an innovative analysis of media power

The National Movement in Scotland Jack Brand, 2021-10-12 Originally published in 1978 but now re issued with a new Preface by James Mitchell this volume traces the rise of the SNP with special emphasis on explaining the increase of the National Party vote in Scotland from the early 1960s to the late 1970s

The book draws much of its information from interviews with members and ex members of the SNP including some who helped to found the party in 1928 In describing the movement and giving an account of its main features the author begins with a discussion of various aspects of Scottish society which have contributed to the growth of nationalism These include the political developments of the Labour movement the economic history of 20th Century Scotland the development of youth culture and in particular the interest in folk music as well as developments in the Church the army and the press

Capitalism and Public Policy in the UK Tom Burden, Mike Campbell, 2023-07-21 First published in 1985 Capitalism and Public Policy in the UK provides a comprehensive account of the development contemporary character and impact of public policy in the UK It relates public policy to the distinctive features of capitalism class relations and the state The first chapter is used to outline the theoretical framework adopted throughout the book This sees public policy as strongly influenced by the requirements of the capitalist mode of production the balance of class forces historical influences gender divisions and international relations Each of the subsequent chapters focuses on a particular area of policy The relevant theoretical concepts are first introduced followed by an historical account of the development of policy with particular emphasis on the post 1945 period Where appropriate the impact of a particular area of policy on inequalities of class gender race and age is examined Finally the impact of each area of policy and the state to the process of economic change to class relations and to other social divisions It will be of interest to all those studying the state public policy and political economy generally

All Our Welfare Peter Beresford, 2016-01-29 The UK welfare state is under sustained ideological and political attack It has also been undermined by accusations of paternalism and past failures to engage with the very people it is intended to help This unique book is the first to critique the past present and future welfare state from a participatory perspective Peter Beresford champion of user involvement draws on pioneering theories and practice of welfare service user movements to offer a blueprint for a new participatory social policy He controversially challenges orthodox social policy and the limitations of both Fabian and Neo liberal perspectives in engaging people to improve their own welfare drawing on service users own ideas and experience including fascinating vignettes from his own family s experience to demonstrate the value of user knowledge Filling a much needed gap in the literature this accessible text will provide a great introduction for students and a road map for practitioners of an alternative vision for a future participatory and sustainable social policy It will also command much wider interest from everyone concerned with how we look after each other in future in society
