**The Genius of John** Peter F. Ellis, 1984      The Temporal Mechanics of the Fourth Gospel Douglas Estes, 2008-01-01 By redefining narrative temporality in light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship

The Symbolic Narratives of the Fourth Gospel Dorothy A. Lee, 1994-01-01 The book examines six long narratives of the Fourth Gospel arguing that they are best understood as symbolic narrative They display a unique cohesion of symbol and narrative the narrative unfolds the symbol and the symbol draws out the narrative This process occurs as the character struggles to understand the symbolic meaning The structure develops in five Stages the establishing of a sign image or feast Stage 1 misunderstood in materialistic terms Stage 2 the struggle to understand the symbolic meaning Stage 3 the acceptance or rejection of that meaning Stage 4 a confession of faith or statement of rejection Stage 5 The symbolic narratives reveal how material reality becomes symbolic of the divine Just as the flesh of Jesus is the symbol of divine glory so material reality now has the potential for symbolizing God Flesh has no independent existence its value lies in its symbolic role This parallels the cohesion between form and meaning Just as the flesh is given value in symbolizing the divine so narrative form is of value in disclosing theological meaning The implied reader is drawn into the drama of the symbolic narratives to make the authentic response of faith

**The Christology of the Fourth Gospel** Paul N. Anderson, 2010-01-01 This important work not only contributes to understanding the origins and character of John's christological tensions but it also outlines a new set of theories regarding several innovative dialogical approaches to the Johannine text In his new introduction to this edition Anderson engages constructively the responses of his reviewers and outlines his own theories regarding John's dialogical autonomy Posing a comprehensive new synthesis regarding John's composition situation history relations to Synoptic traditions agency Christology historicity and theological tensions Anderson here summarizes his most significant theories published since it first appeared In so doing advances suggested by this pivotal text are laid out in a new set of paradigms addressing the Johannine riddles in fuller detail

**Moses as a Character in the Fourth Gospel** Stanley Harstine, 2002-10-01 Did first century Mediterranean readers of the Fourth Gospel have comparable literary examples to inform their comprehension of Moses as a character In addressing this question

Harstine's study falls into two parts. The first is an analysis of the character Moses as utilized in the text of the Fourth Gospel. The second is an examination of other Hellenistic narrative texts in which the character of Homer is also considered as another important legendary figure with whom the readers of the Fourth Gospel would have been familiar. *Jesus Research* James H. Charlesworth, Jolyon G. R. Pruszinski, 2019-02-07. Most experts who seek to understand the historical Jesus focus only on the Synoptic Gospels of Mark, Matthew, and Luke. However, the contributors of this volume come to an important consensus that the Gospel of John preserves traditions that are independent of the Synoptics and which are often as reliable as any known traditions for understanding the historical Jesus. As such, the contributors argue for the use of John's Gospel in Jesus research. The volume contains various critical approaches to historical inquiry in the Gospel of John, including new evaluations of the relationship between John and the Synoptics, literary and rhetorical approaches, comparative analysis of other early traditions, the judicious use of archaeological data, and historical interpretation of John's theological tendencies. Contributing scholars include Dale C. Allison Jr., Paul N. Anderson, Harold W. Attridge, James H. Charlesworth, R. Alan Culpepper, Michael A. Daise, Craig S. Keener, George L. Paresnios, Petr Pokorný, Jan Roskovec, and Urban C. von Wahlde, who help to reassess fully the historical study of John's gospel, particularly with respect to the person of Jesus.

**Designs for the Church in the Gospel of John** R. Alan Culpepper, 2021-07-16. The essays in this volume, which span four decades, represent sustained reflection on the historical setting, narrative devices, and theology of the Gospel of John. Methodologically, the essays develop a narrative-critical approach to the Gospel, producing insights that have implications for historical and theological issues. Thematically, many of the essays explore the Gospel's ecclesiology, especially its vision for the church and its mission. As a collection, this volume provides an introduction to the Fourth Gospel, analyses of major issues including John's anti-Judaism, relationship to 1 John, irony, imagery, creation, ethics, evil, and eschatology, and in-depth exploration of key texts, especially John 1:1-18, 2:20-4:35, 8:5-18, 5:21-30, 10:1-18, 12:12-15, 13:1-20, 19:16-30, 20:19-23, and chapter 21.

**Preaching John** Robert Kysar, With this helpful guide, preachers can find new and powerful resources for preaching in Johannine language and thought, as well as its use of narrative and discourse. It combines the practical with proposals for understanding the Gospel and 1 John.

**The Woman at the Well** Janeth Norfleete Day, 2021-10-11. The theme of the book is that by integrating traditional historical methods of interpretation with more recent literary and sociological methods, it is possible to propose an alternative understanding of the character and

role of the Samaritan woman in John 4 The contents include a survey of the interpretive tradition concerning the Samaritan woman in the church s exegesis in artistic renderings and in literary compositions from the Patristic Period until the Modern Era The book concludes with the author s alternative interpretation which proposes a pious Samaritan woman vs the traditional immoral one This book is useful as a model for a synthetic approach to biblical interpretation that utilizes both historical and more contemporary methods Additionally it demonstrates one possible avenue by which biblical and theological scholars can participate in interdisciplinary studies

*John the Theologian and his Paschal Gospel* John Behr, 2019-02-07 This study brings three different kinds of readers of the Gospel of John together with the theological goal of understanding what is meant by Incarnation and how it relates to Pascha the Passion of Christ how this is conceived of as revelation and how we speak of it The first group of readers are the Christian writers from the early centuries some of whom such as Irenaeus of Lyons stood in direct continuity through Polycarp of Smyrna with John himself In exploring these writers John Behr offers a glimpse of the figure of John and the celebration of Pascha which held to have started with him The second group of readers are modern scriptural scholars from whom we learn of the apocalyptic dimensions of John s Gospel and the way in which it presents the life of Christ in terms of the Temple and its feasts With Christ s own body finally erected on the Cross being the true Temple in an offering of love rather than a sacrifice for sin An offering in which Jesus becomes the flesh he offers for consumption the bread which descends from heaven so that incarnation is not an event now in the past but the embodiment of God in those who follow Christ in the present The third reader is Michel Henry a French Phenomenologist whose reading of John opens up further surprising dimensions of this Gospel which yet align with those uncovered in the first parts of this work This thought provoking work brings these threads together to reflect on the nature and task of Christian theology

Reed, Ray Yun Wang, 2018-11-01 Since Christianity was re introduced to China in the early nineteenth century Chinese Christianity has undergone a holistic transfiguration which both truthfully restores ante Nicene Christianity and successfully adapts to the cultural contexts of Chinese and other societies The theoretical and theological diversity of this book is consistent with that of traditional Chinese religious writings as well as that of the ante Nicene fathers but may be deemed un theoretical un academic or un theological by those theologians who received Western theological training as that tends to be too hegemonic emotionless and archaic in the eyes of lay believers     Scripture in Tradition John Breck, 2001
