to lead the expedition to explore the Louisiana Purchase he was later rewarded by Jefferson with the governorship of the entire Louisiana Territory Yet within three years plagued by controversy over administrative expenses Lewis found his reputation and career in tatters En route to Washington to clear his name he died mysteriously in a crude cabin on the Natchez Trace in Tennessee Was he a suicide felled by his own alcoholism and mental instability Most historians have agreed Patricia Tyson Stroud reads the evidence to posit another even darker ending for Lewis Stroud uses Lewis s find the bitterroot flower with its nauseously pungent root as a symbol for his reputation as a purported suicide It was this reputation that Thomas Jefferson promulgated in the memoir he wrote prefacing the short account of Lewis s historic expedition published five years after his death Without investigation of any kind Jefferson Lewis s mentor from boyhood reiterated undocumented assertions of Lewis s serious depression and alcoholism That Lewis was the courageous leader of the first expedition to explore the continent from the Mississippi River to the Pacific Ocean has been overshadowed by presuppositions about the nature of his death Stroud peels away the layers of misinformation and gossip that have obscured Lewis s rightful reputation Through a retelling of his life from his resourceful youth to the brilliance of his leadership and accomplishments as a man Bitterroot shows that Jefferson s mystifying assertion about the death of his protégé is the long held bitter root of the Meriwether Lewis story *The Gardeners' Chronicle* ,1927
