A Patriot Dirge Jack Random,2015-10-23 Roman Mason was born to change the world Deeply disturbed by the state of American politics he emerges from isolation to assemble his team of loyal activists and announces a new mission Convinced that American democracy cannot survive without a fundamental restructuring of the political system they build an independent movement from the ground up uniting libertarians on the right and progressives on the left They establish a network of community centers dedicated to helping those forgotten by a system where the dominant parties cater to the needs and desires of the elite The growing movement attracts new members including a clandestine antiwar

organization dedicated to helping dissenters and deserting soldiers to escape persecution or imprisonment by taking a new identity and relocating Political mastermind John Sinclair charged with orchestrating congressional campaigns uncovers a scandal with the power to rock both parties to their roots Upon his death operative Simon Juneau left behind a file documenting widespread corruption at the highest levels of public office As momentum builds the movement comes under attack and Mason discovers that Homeland Security is behind the campaign Several members of the core group are abducted and detained without legal recourse Rome escapes to Canada and applies for political asylum The movement releases the Juneau file along with a detailed account of the purge leading to congressional hearings widespread indictments and full vindication Rome emerges as an American hero but soon finds his organization once again under attack Disbanding the core group he receives an invitation to a meeting of elites at Hohenzollern Castle in Germany He recruits the hacker group Anonymous and with his old friend Sinclair determines to expose the world's most powerful and corrupting organization In the tradition of grand conspiracy novels A Patriot Dirge will leave you exhausted and yearning for more **Ghost Dance** John Norman,1970 **The Last Ghost Dance** Stuart Scott,2021-07-06 historic fiction set in Elko County Nv between 1908 1917 **Ghost Dance** Christine Pope,2020-10-18 An angel has returned to Paris But is it the Angel of Music or Death Two years have passed since Christine fled the opera house put the memories and the horror behind her And yet in her dreams she still hears his voice feels his moth light touch on her throat The rumors involving the legendary Opera Ghost are merely newspaper sensationalism The Opera Ghost is dead His tragic life his epic opera his obsession with her voice ended But with a slow heart pounding dread Christine lets a lie slip from her lips and heads for Paris Alone Because she has to know if Erik is dead Or if he's alive and wreaking his vengeance *The Ghost Dance* Theatre Passe Muraille Archives, Frank McEnancy,1972 Ghost Dance Thorn Willy (author),1901 *Jazzman Chronicles Volumes I-X* Jack Random,2015-10-29 With the Supreme Court decision that overturned an election and handed George W Bush the presidency Jack Random adjusted his focus from fiction to political commentaries The first volume of the Jazzman Chronicles was an indictment of the two party system a system designed to serve the elite by negating the power of the people It is a system paid for and controlled by corporate interests It offers the appearance of choice but when both parties collect contributions from the same corrupt well what choice do we really have In the succeeding years American democracy has become even more endangered with legislators conspiring to disenfranchise minorities and a Supreme Court defined by corporate bias Meantime confronted by the unspeakable tragedy of September 11 2001 America committed its soldiers to the long and unwinnable wars of Afghanistan and Iraq As the president attested it was the day everything changed For dissidents like Jack Random it meant that all other issues had to yield to a single cause opposing the wars The second volume *The War Chronicles* was issued before the invasion of Afghanistan and before Shock and Awe hit Baghdad and place America on a permanent war setting With the expressed purpose of stopping the wars before they happened he methodically destroys the Bush administration's

case for war War would dominate American politics for the next decade but Random found his voice on a wide range of issues and a platform on the worldwide web This collection includes a small sample of his political writings gathered under the following headings I CORE PRINCIPLES An indictment of the major party system II THE WAR CHRONICLES The case against war in Iraq and Afghanistan III THE ANTIWAR MOVEMENT The continuing struggle to end the wars IV ECONOMICS An attack on deregulation free trade austerity policies and anti labor measures V SUPREME INJUSTICE The perpetual train wreck of a corporate court VI EDUCATION The drive to privatize public education VII MEDIA PROPAGANDA An indictment of the corporate media VIII THE AGE OF CATASTROPHE Environmental and manmade disasters become commonplace while our preparedness lags behind IX IMMIGRATION DISCRIMINATION The myth of equality and the racism underlying the anti immigrant movement X ON DEMOCRACY The erosion of democracy and how to restore it Taken together the Jazzman Chronicles represent a contemporary history of American politics at the beginning of the twenty first century **Ghost Dance for the Red Messiah** David Anthony Vando,Columbia University.
