The Ghost Who Was Afraid Of The Dark The Ghost And The Flag:

Super Demonic Book Lao ShiRen,2020-06-01 Obtaining a book that could change him a fatty began a new chapter in his life All sorts of vampires werewolves Abyss Lords ancient Evil Gods and even the living female corpses of the Three Kingdoms era would appear What awaited the end was a showdown at the end of the century The Ghost Prison Joseph Delaney,2014-08-31 This is the entrance to the Witch Well and behind that door you d face your worst nightmare Don t ever go through there Night falls the portcullis rises in the moonlight and young Billy starts his first night as a prison guard But this is no ordinary prison There are haunted cells that can t be used whispers and cries in the night and the dreaded Witch Well Billy is warned to stay away from the prisoner down in the Witch Well But who could it be What prisoner could be so frightening Billy is about to find out An unforgettable ghost story from the creator of the Wardstone Chronicles Spook s Apprentice series *North Carolina Ghosts and Legends* Nancy Roberts,2019-10-11 Nancy Roberts has often been described to as the First Lady of American Folklore and the title is well deserved Throughout her decades long career Roberts documented supernatural experiences and interviewed hundreds of people about their recollections of encounters with the supernatural This nationally renowned writer began her undertaking in this ghostly realm as a freelance writer for the Charlotte Observer Encouraged by Carl Sandburg who enjoyed her stories and articles Roberts wrote her first book in 1958 Aptly called a custodian of the twilight zone by Southern Living magazine Roberts based her suspenseful stories on interviews and her rich knowledge of American folklore Her stories were always rooted in history which earned her a certificate of commendation from the American Association of State and Local History for her books on the Carolinas and Appalachia **The Ghosts on 87th Lane** M.L. Woelm,2011-10-08 Once upon a time my house was haunted It still is I began recording my experiences hoping to one day share them I kept waiting for the incidents to stop so I d have a logical conclusion to my book So far that hasn t happened It may never happen I d like to get my story told before I become a ghost myself The True Story of a Haunting Beginning in 1968 and spanning four decades this true story chronicles the hair raising experiences that nearly drove an ordinary housewife and mother to the breaking point Not every haunted house is an old Victorian mansion as the author and her family discovered when they bought a modest house in the suburbs Even a post war starter home can be a dwelling place for earthbound spirits especially if it holds a tragic secret from the past Eerie feelings of being watched disembodied sobs mysterious scratches appearing on her throat and a child s voice crying Mommy convinced M L Woelm that she was sharing her home with ghosts This is her story *Giving Up the Ghost* Eric Nuzum,2012-08-07 At once hilarious and incredibly moving Giving Up the Ghost is a memoir of lost love and second chances and a ghost story like no other Eric Nuzum is afraid of the supernatural and for good reason As a high school oddball in Canton Ohio during the early 1980s he became convinced that he was being haunted by the ghost of a little girl in a blue dress who lived in his parents attic It began as a weird premonition during his dreams something that his quickly diminishing circle of friends

chalked up as a way to get attention It ended with Eric in a mental ward having apparently destroyed his life before it truly began The only thing that kept him from the brink his friendship with a girl named Laura a classmate who was equal parts devoted friend and enigmatic crush With the kind of strange connection you can only forge when you re young Laura walked Eric back to normal only to become a ghost herself in a tragic twist of fate Years later a fully functioning member of society with a great job and family Eric still can t stand to have any shut doors in his house for fear of what s on the other side In order to finally confront his phobia he enlists some friends on a journey to America s most haunted places But deep down he knows it s only when he digs up the ghosts of his past especially Laura that he ll find the peace he s looking for **Ghosts I**
