The Ghosts Who Waited:

The Ghosts who Waited Dennis Hamley,1997 There is something sinister about the cottage where Rosy and her family go to live Rosy can feel that something terrible happened there once and soon her brother and sister seem to hate her Somehow the cottage is making them all see the world through the eyes of people who lived there long ago **The Ghosts of Liberty** Judah Hastings,2020-09-29 It is a bleak and hopeless future The United States of America has been decimated by endless internal strife giving rise to the People s Socialist Republic of America a merciless state that tramples any who would dare oppose it Now after loyally committing herself to enforce the laws of the Party a young Peace Corps Officer finds herself the next target in their sights Laura must now learn not only how to survive against the insurmountable resources of the regime she must also learn to fight back Among the Ghosts Amber Benson,2011-09-06 While spending the summer at The New Newbridge Academy where she will soon begin sixth grade Noleen finds strange things happening and discovers the special talent her aunts saw in her when she was a motherless infant **The Waiting** Justine Cau,2001-10-31 The characters in the stories may be taken as hollow voices circling the space of a cramped city The book is an attempt to detail these voices by unfolding the scrolls of mental landscapes that might lie behind them and to extract the complications out of a basically prosaic pattern of the urban cornucopia *HPI: The Waiting Room* Paul Dale Roberts,2024-12-16 Learn about the latest paranormal investigations of HPI International Halo Paranormal Investigations Learn about the various haunted locations around the world We investigate ghosts demons cryptids and UFOs UAPs It Waits in the Forest Sarah Dass,2024-05-14 The very first thriller from Rick Riordan Presents Drawing from the darkest corners of Caribbean mythology acclaimed author Sarah Dass crafts a chilling tale of magic murder and how far we ll go to protect what s ours perfect for fans of Angeline Boulley and Tiffany D Jackson Unlike the other residents of the small Caribbean Island of St Virgil Selina DaSilva does not believe in magic With a logical mind and a knack for botany Selina used to dream of leaving the island to study Pharmacology until a vicious unsolved attack left her father dead and her mother in a coma Now her guilt over her mother s condition keeps her tethered to the island relegated to conning gullible tourists with useless talismans and phony protection rituals But when one of those tourists ends up at the center of a string of strange murders the truth that Selina has been denying can no longer be avoided there is evil lurking in the forests that surround St Virgil Another thing that can t be avoided Selina s ex boyfriend Gabriel newly employed at the local newspaper and eager to put his investigative skills to use Desperate to put an end to the killings and claim justice for Selina s family these two former lovers race to find answers But evil bides its time And as long buried feelings and long hidden secrets about Selina s family s past begin to reveal themselves only one answer remains and it waits in the forest Endorsed by Rick Riordan author of Percy Jackson and the Olympians soon to be a series on Disney Don t miss these other Rick Riordan Presents titles for all ages Serwa Boateng s Guide to Vampire Hunting by Roseanne Brown Sal and Gabi Break the Universe by Carlos Hernandez Tristan Strong Punches a Hole in the Sky

no. 1-3 Abraham Fornander, 1918 **An Unfamiliar America** Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one's identity building The researcher's constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while scrutinizing a variety of contested topics in American history from xenophobic attitudes toward eighteenth century university professors Apache masculinity Ku Klux Klan Tom Waits's lyrics and the politics of the Trump era

The Visible Ghost Dante P. Chelossi Jr., 2017-11-21 The Visible Ghost tells a tale of a scientist who has an accident inside his laboratory and dies To his astonishment and that of everyone else around him he becomes a ghost who is visible for all to see with their eyes all the time He does not have the ability to become invisible Another fascinating detail about him in his ghost form is that his appearance is 100 percent solid like any living being around him If someone were to stand next to him they could have a conversation with him and not in any way ever suspect that he is in fact a ghost because of how solid in form he appears to be Being a scientist this ghost is extremely intrigued even in death about being a ghost He decides to investigate and document everything possible about being a ghost for others to understand before he disappears which can be at any moment At the very least he has proven to the world that ghosts do in fact exist
