Zeller, 2005-10-01 In considering this controversial theme the author had a fivefold intent To examine every passage in the New Testament dealing with the gift of tongues To consider the significance of tongues in the Old

Testament The Apostle Paul indicated that God's purpose for the gift of tongues could be discovered in the Law 1 Corinthians 14 21 22 To study the gift of tongues from a dispensational point of view in light of God's marvelous and yet distinctive programs for both Israel and the Church To provide a definitive answer to the difficult question When did tongues cease To apply the rich truths of this study to the proper functioning and conduct of the local assembly of believers today *An Essay on the Gift of Tongues, Proving that it was Not the Gift of Languages. Smith, 1966 **The Gifts of the Holy Spirit and Speaking in Tongues** Gene Keith, 2019-08-05 There is probably more confusion in the church over the doctrine of the Holy Spirit than any other doctrine in the Bible Some churches nearly ignore the Holy Spirit Others put more emphasis on the work of the Holy Spirit than anything else Is the Holy Spirit a He or an It When does a person Receive the Holy Spirit What is the Baptism of the Holy Spirit What is the Filling of the Holy Spirit How does a person Sin against the Holy Spirit How many Times did people Speak in Tongues in the book of Acts Are Tongues Known Languages or Jabbering Should All Believers expect to Speak in Tongues What does the Bible teach about Women Speaking in Tongues Can you find One Verse in the Bible which Urges believers to seek the Gift of tongues Where is it Are there any true Apostles today Does God Inspire men today to write Scriptures or give prophecies like He did through the Moses or the Apostles How many Spiritual Gifts are there What is your Spiritual Gift How does a Believer Discover his her Spiritual Gift Can you find One Verse in the Bible that Mentions or Explains Laughing in the Spirit Can you Find One Verse in the Bible that mentions or explains being Slain in the Spirit Does the Bible really support the idea popular doctrine of Positive Confession commonly referred to as Name it and Claim it Does the Bible support the popular doctrine Prosperity Theology This book was written to provide Biblical answers to these and other questions about the Holy Spirit Spiritual Gifts and Speaking in Tongues **God, What Is the Gift of Tongues?** Julia Hoard, 2007 Introduces the biblical gift of tongues explaining how it works and how people should use this gift from God

Understanding the Gift of Tongues: Personal Handbook on the Gift of Tongues Adebodun Joshua, 2019-11-09 In John 6 63 the response of our Lord Jesus Christ to His disciples when they were murmuring about His teachings was the words that I speak unto you they are spirit and they are life This response helps us to understand that the spoken and the written word of God is full of life But it is through the spirit the life of His word is manifested As a Bible Student and teacher I specifically wanted to know more of the three common texts on the gift of tongues namely Mark 16 Acts 2 and 1 Corinthians 14 Since those are the most quoted scriptures on the gift of tongues While studying these texts I realized that the tongues promised in Mark 16 and the one spoken in Acts 2 has a different adjective qualifying the word tongue Therefore to understand this gift of tongues we have to agree with the Biblical writers why they include these adjectives New and Other to the word tongue and why these adjectives never appear again in all the places the gift of tongues is mentioned in the Bible Hundreds of

articles have been written concerning this topic but without the notice of these two adjectives we will still not have a complete understanding about the gift of tongues In this book I explore the reality of the gift of tongues in its fullness in the light of these two adjectives that precede the word Tongues as recorded in the Bible I addressed the true Biblical meaning of the tongues described by Apostle Paul in 1 Corinthians 14 and deal with issues concerning the gift of tongue and finally responded to some thought provoking questions that the reader might want some lights on Questions I have asked myself on this gift of tongues the one I heard people asked and those that came to me in the process of writing this book I pray this book will restore light on this contentious topic for the power of unity is with understanding     The Gift of Tongues C. W. Steinle,2012-04 Readers reviews of this little book by Christians who are open to the present day operation of the Spiritual gifts speak for themselves More than a Bible study The Gift of Tongues gives practical and personal guidance answering questions that too often go unasked The author covers various views on the gift of tongues and briefly addresses the Cessation Theory Topics include the purposes of tongues use of tongues in church and in private the nature and value of tongues to the church and to the individual and how to revive a church in which the gifts have dwindled Quotes Is it any wonder that the principalities of darkness are rising up and overpowering the floundering church of North America Our mighty weapons in Christ have been cast aside for the rocks and clubs of mere human ability natural instead of supernatural but predictable and logical and conveniently taught in seminary Christianity is nothing more than religion when it ceases to be supernatural     **Glossolalia: The Gift of Tongues** Dr. Nathan Ogan,2016-05-23 If I speak in the tongues of men or of angels but do not have love I am only a resounding gong or a clanging cymbal 1 Corinthians 13 1 NIV     **The Power of Speaking in Tongues** Prayer M. Madueke, Do you desire to be baptized in the Holy Ghost Have you ever prayed in tongues Do you wish to understand mysteries Do you want to know what you stand to gain when you pray in tongues Do you want to know what might happen if you allowed the Holy Spirit to pray through you for you and in you Get this Book Now Prayer Madueke tackles the controversial and often misunderstood gift of praying in tongues for personal enrichment He urges Christians to be unapologetic and intentional about praying in tongues normalizing it as a regular not weird biblical Christian practice The Holy Spirit empowers us to live transformed lives and praying in tongues grants us access to the mysteries of God He is our helper and has a rich unique personality as part of the Trinity The Power of Speaking in Tongues emphasizes the benefits of praying in tongues Backed by sound biblical explanations and many testimonies this book urges you to imagine what your life could look like if you simply allowed the Holy Spirit to pray through you This book will help you Overcome common barriers to finally praying in tongues Cultivate a fiery desire to pray Walk in a 24 7 awareness of God s presence How is a Christian edified and strengthened by praying in tongues Expose deceptive myths about the gift of tongues Discover the incredible power of praying in the Holy Spirit And many more The secret to a thriving prayer life is not a formula rather it is the supernatural power of the Holy Spirit Your prayer life will soar to levels you never dreamed were

in operation today Is that being practiced today in churches and prayer closets the biblical gift of languages Can it be proved from scripture whether the gift of tongues is needed today These questions are answered in this book *The Spiritual Gift of Tongues* This is the first in a series that will address difficult biblical issues that are crucial to the effective function of Christians and the local church *Speaking in Tongues: A Critical Historical Examination, Volume 2* Philip E. Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus No other resource on the subject approaches the depth and scope of the present volume
