Common Ground? Anthony M. Orum, Zachary Neal, 2009-09-10 Public spaces have long been the focus of urban social activity but investigations of how public space works often adopt only one of several possible perspectives which restricts the questions that can be asked and the answers that can be considered In this volume Anthony Orum and Zachary Neal explore how public space can be a facilitator of civil order a site for power and resistance and a stage for art theatre and performance They bring together these frequently unconnected models for

understanding public space collecting classic and contemporary readings that illustrate each and synthesizing them in a series of original essays Throughout they offer questions to provoke discussion and conclude with thoughts on how these models can be combined by future scholars of public space to yield more comprehensive understanding of how public space works

Great Falls, MT Reggie Watts, 2023-10-17 Comedian and musician Reggie Watts shares his story of growing up in Montana as a biracial oddball struggling to navigate life girls drugs and his own identity in America's heartland and having a blast doing it Reggie Watts is weird But you knew that Anyone who's seen his multifaceted entirely improvised comedy and music shows knows that Reggie Watts is also from the town of Great Falls MT These two facts are not unrelated Watts grew up in Montana in the 80s half French half American half white half Black speaking a bunch of different languages and slipping between the orchestra geeks and the football jocks until he finally found a squad of fellow misfits with an affinity for trouble It was a wide open time and place that invited freedom and exploration as well as car theft and the not infrequent use of recreational cough syrup And it helped him become the uniquely strange creative voice he is today In Great Falls MT Watts takes us through his story hitting on the culture shock he experienced after moving from Europe to the heart of America where he was called racial slurs by neighbors but wasn't Black enough for his father's extended family Where he fought with his authoritarian dad built a new family of antiestablishment post punk oddballs and ultimately knew he had to leave But after Watts's career exploded in Seattle and New York ultimately scoring him a nightly place next to James Corden on *The Late Late Show* he found himself drawn back to his hometown after the deaths of his parents This is his love letter to the town that made him But like love itself it's messy

and complicated and dirty and beautiful and as weird and wonderful as Watts himself **Catalog of Copyright Entries.**
