The Girls In The Gang A Report From New York City

Robert Jackall

The Girls In The Gang A Report From New York City:

Girls in the Gang (Us Edition) Anne CAMPBELL,1984 The American Street Gang Malcolm W. Klein,1997 About street gangs in the United States **The Girls in the Gang** Glennis Dennehy,Greg Newbold,2001 Based on in depth interviews with ten women who like Glennis Dennehy are former gang associates The girls in the gang widens the understanding and dispels some of the myths about this secretive world It considers how and why women get into gangs the inferior roles they occupy the dynamics that keep them there and the means by which women can escape gang control *Homegirls* Norma Mendoza-Denton,2014-01-21 In this ground breaking new book on the Norte a and Sure a North South youth gang dynamic cultural anthropologist and linguist Norma Mendoza Denton looks at the daily lives of young Latinas and their innovative use of speech bodily practices and symbolic exchanges that signal their gang affiliations and ideologies Her engrossing ethnographic and sociolinguistic study reveals the connection of language behavior and other symbolic practices among Latina gang girls in California and their connections to larger social processes of nationalism racial ethnic consciousness and gender identity An engrossing account of the Norte and Sur girl gangs the largest Latino gangs in California Traces how elements of speech bodily practices and symbolic exchanges are used to signal social affiliation and come together to form youth gang styles Explores the relationship between language and the body one of the most striking aspects of the tattoos make up and clothing of the gang members Unlike other studies which focus on violence fighting and drugs Mendoza Denton delves into the commonly overlooked cultural and linguistic aspects of youth gangs Street Stories Robert Jackall,2005-04-30 Based on years of fieldwork with the New York City Police Department and the District Attorney of New York this book examines the moral ambiguities of the detectives world as they shuttle between the streets and a bureaucratic behemoth *The History of Street Gangs in the United States* James C. Howell,2015-06-09 This book is an historical account of the emergence of youth gangs and the transformation of these into street gangs in the United States The author traces the emergence of these gangs in the four major geographical regions over the span of two centuries from the early 1800s to 2012 The author s authoritative analysis explains gang emergence and expansion from play groups to heavily armed street gangs responsible for a large proportion of urban crimes including drive by shootings that often kill innocent bystanders Nationwide street gangs now account for 1 in 6 homicides each year and for 1 in 4 in very large cities In recent years the number of gangs gang members and gang homicides increased even though the U S has seen a sharp drop in violent and property crimes over the past decade The author s historical analysis reveals the key contributing factors to transformation of youth gangs including social disorganization that occurred following large scale immigration early in American history and urban policies that pushed minorities to inner city areas and public housing projects This analysis includes the influence of prison gangs on street gangs The first generation of prison gangs emerged spontaneously in response to dangers inside prisons The second generation was for many years extensions of street gangs that grew

enormously during the 1980s and 1990s particularly in large urban areas in which public housing projects have served as incubators for street gangs The third generation of prison gangs is extremely active in street level criminal enterprises in varied forms often highly structured and well managed organizations that are actively involved in drug trafficking In recent years returning inmates are a predominant influence on local gang violence Now prison gangs and street gangs often work together in street level criminal enterprises This book identifies the most promising ways that gang violence can be reduced The best long term approach is a combination of gang prevention intervention and suppression strategies and programs Targeted suppression of gang violence is imperative Street workers that serve as violence interrupters can break the cycle of contagious gang violence

Street Gangs Throughout the World Herbert C. Covey, 2010 This updated and expanded new edition continues the theme of the first edition of emphasizing the substantial growth of street gangs throughout the world Although a substantial amount of research on street gangs has been conducted in recent decades much of it has focused on the United States This book summarizes much of the research being conducted in many other countries where the street gang phenomenon is currently developing which includes poverty the retreat of the state increasing income inequality urbanization population growth exploitation marginalization underground economies racism and ethnocentrism The introductory section of the text addresses important topics on the various definitions of gangs and youth subcultures and presents methodological issues concerning the measurement of street gang activity in different countries The second section offers an overview of the primary studies and most recent findings regarding American street gangs The third section discusses recent and historical findings about street gangs in Europe and highlights studies in Great Britain Northern Ireland Scotland France Germany Belgium Scandinavia and the Eastern European bloc The fourth section provides current research on the Western Hemisphere and focuses on Canada Jamaica Brazil Venezuela Nicaragua Trinidad Ecuador Tobago and El Salvador and further examines the influence of American style gangs on the region Section five addresses street gangs in India China Japan Hong Kong and Korea with special emphasis on Russia The sixth section discusses the emerging street gang activity in Africa and Australia as well as many of the island nations of the Pacific Ocean The final section compares gang research from the various parts of the world and projects universal trends This book provides the most current and comprehensive overview of worldwide street gang activity stressing those features that are shared by all gangs regardless of nationality ethnicity or gender and postulates what the future holds for street gangs throughout the world

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and

policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice **Street Gang Patterns and Policies** Malcolm

W. Klein, Cheryl L. Maxson, 2010-04-12 This text provides a crucial update and critical examination of our understanding of gangs and major gang control programs across the nation Dispelling the long standing assumptions that the public the media and law enforcement have about street gangs it presents a comprehensive overview of how gangs are organized and structured **Gangs** Karen L. Kinnear, 2008-10-29 A thoroughly updated look at the world of gangs charting their growth

and development in the United States and worldwide as well as the efforts to curb their expanding criminal enterprises **Gangs A Reference Handbook** Second Edition offers an eye opening look at modern gangs their history their ability to attract members from a widening social pool as well as efforts by community and political leaders to stop gang related crime and weaken the grip that gangs have on our culture This timely update shows that while genuine progress has been made the world of gangs is evolving in fascinating and dangerous ways The second edition features a wealth of new information new statistical data and new insights into the ways gangs operate in cities large and small It also offers expanded coverage of gangs specific to other countries as well as those that have become genuinely international in nature **The Wiley**

Handbook on the Psychology of Violence Carlos A. Cuevas, Callie Marie Rennison, 2016-03-07 The Wiley Handbook on the Psychology of Violence features a collection of original readings from an international cast of experts that explore all major issues relating to the psychology of violence and aggressive behaviors Features original contributions from an interdisciplinary cast of scholars leading experts in their fields of study Includes the latest violence research and its implications for practice and policy Offers coverage of current issues relating to violence such as online violence and cybercriminal behavior Covers additional topics such as juvenile violence sexual violence family violence and various violence issues relating to underserved and or understudied populations **Gangs** Scott Cummings, Daniel J. Monti, 1993-03-03 This

book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and

medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy Introduction to Gangs in America Ronald M. Holmes,Richard Tewksbury,George

Higgins,2011-12-02 Gangs have long been a social and criminal threat to society Introduction to Gangs in America explains how gangs are addressed as a criminal justice and public policy problem providing a student friendly easily accessible concise overview of the role place structure and activities of gangs in American society The book describes what gangs a

Gangs in America's Communities James C. Howell,Elizabeth Griffiths,2018-02-08 Gangs in America s Communities is one of the most comprehensive treatments of gangs in the marketplace I highly recommend its adoption as you will not be disappointed and most importantly neither will your students Elvira White Lewis Texas A M University Commerce Gangs in America s Communities Third Edition blends theory with current research to help readers identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and the response from law enforcement Current nationwide gang trends are discussed to encourage readers to analyze and interpret the most recent statistics for which representative data is available Updated macro and micro gang theories enable readers to explore a recent encapsulation of leading developmental models New discussions around female gang members offer readers potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women A comprehensive gang prevention intervention and suppression program in Multnomah County Oregon shows how theory was successfully applied to reduce gang activity in a local community New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang Additional discussion of distinguishing features e g typologies of major gangs

and numerous examples of gang symbols tattoos and graffiti has been added to help readers identify and differentiate various types of gangs

Juvenile Justice and Youth Violence James C. Howell,1997-07-29 Comprehensive and detailed this book provides information on the history of the United States response to juvenile delinquency the increasing seriousness of the problem and the public policies available to deal with it James C Howell cites the pressing need for a clearer understanding of the risk factors for youth violence Long term solutions such as the development of more effective prevention programmes better matched offender treatment programmes and a more cost effective juvenile justice system are also discussed Extensive figures and tables are included

Caring on the Streets Jacqueline K Thompson,2021-02-25 They re fighting for our kids and the battleground is the street In 1956 the Boston Special Youth Project defined the field of detached youthwork this way Detached work involves intensive contact with a corner group where the worker meets the teen age group in their natural environment By close association with them and getting to know their needs as a group and as individuals the worker forms a positive relationship and helps them to engage in socially acceptable activities which they come to choose The basic goal is helping them to change undesirable attitudes and patterns of behavior Today author and youthworker Jacquelyn Kay Thompson brings this exciting heartbreaking and often dangerous profession to light in *Caring on the Streets A Study of Detached Youthworkers* The book examines the demanding task of assisting runaways gang members prostitutes drug addicts and other troubled youths and explores how the profession is practiced in the United States Here are true life stories of the courageous caring individuals whose professional life is spent on the streets in bars pool halls motels housing projects and hangouts where the kids are In addition to sharing the personal experience of detached workers *Caring on the Streets* illuminates these facets of the profession history of detached youthwork methodology and philosophy of detached youthwork model programs research procedures for youthworkers becoming a detached youthworker and more *Caring on the Streets* contains interviews with seventeen youthworkers who assist clients outside of formal office settings to give you insight into the experiences challenges and dedication of detached youthworkers This thoughtfully indexed work also includes reference notes and five appendixes

Integrating Cultural, Observational, and Epidemiological Approaches in the Prevention of Drug Abuse and HIV/AIDS ,1999

Understanding Deviance David M. Downes,Paul Elliott Rock,2011 *Understanding Deviance* provides an indispensable guide to the major themes and theories which have come to form the sociology of crime and deviance from their origins in the research of the University of Chicago sociology department in the 1920s to the most recent work in cultural criminology

The Girl Delinquent and the Male Street Corner Gang [report] Presented at the Eighty-eighth Annual Forum, National Conference on Social Welfare, Minneapolis, Minnesota, May 15, 1961 Martha S. Lewis,1961

Aggression, Antisocial Behavior, and Violence Among Girls Martha Putallaz,Karen L. Bierman,2005-07-19 From leading authorities this book traces the development of female aggression and violence from early childhood through adulthood Cutting edge theoretical perspectives are interwoven with longitudinal data that elucidate the

trajectories of aggressive girls relationships with peers with later romantic partners and with their own children Key issues addressed include the predictors of social and physical aggression at different points in the lifespan connections between being a victim and a perpetrator and the interplay of biological and sociocultural processes in shaping aggression in girls Concluding commentaries address intervention prevention juvenile justice and related research and policy initiatives
