The Glad River:

The Glad River Will D. BOOK JACKET **Encyclopedia of Religion in the**

South Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history *God Is Still Speaking* Stillspeaking Writers' Group, 2024-10-15 A Year of Reflection God is still speaking started as an advertising slogan for the United Church of Christ but more than 20 years later it endures as a faith proclamation God is still speaking in the Bible but also through the arts in the sciences and in the struggles for justice God is still speaking because the world is still evolving God is still speaking and God isn't finished with us yet God is still speaking so we should keep engaging our faith with curiosity wonder and even playfulness If you wonder whether God has anything to say in these tumultuous times if your faith is feeling stuck or finding itself in unknown territory if you think devotional books are sappy or pious or irrelevant God Is Still Speaking will give your spirit a God filled jolt Each devotional begins with scripture ends with prayer and brings bold encouragement to your day God is Still Speaking 365 Daily Devotionals is a collection of wondering provocative and playful reflections for the person who thinks devotional books are too pious Spend 365 days immersed in the affirmation God is still speaking **The Christ-Haunted Landscape** Susan Ketchin, 2009-11-12 Here are Susan Ketchin's discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O'Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn't convinced of it is very much afraid that he may have been formed in the image and likeness of God Guided by O'Connor's perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the contemporary South **And the Criminals with Him**

Will D. Campbell, Richard C. Goode, 2012-07-20 In 1972 Will Campbell published an issue of the Committee of Southern Churchmen's journal *Katallagete* to shed light on the US prison system. None could anticipate how the system would expand exponentially in the next four decades. Today the US operates the world's largest prison system, incarcerating nearly 1 in every 100 American adults. How did this expansion happen? What is the human toll of this retributive system? How might ambassadors of reconciliation respond to such a punitive institution? Replicating the firsthand nature of Will Campbell's original *Katallagete* collection, twenty new essays pull back the veil on today's prison industrial complex. The plea throughout this collection is not for some better, more progressive institution to exact justice. Rather, the invitation is to hear from voices of experience, how the system functions, listen to what the institution does to those locked in its cells, consider what an execution involves, and most importantly, contemplate the scandalous call to be in reconciled community with those whom society discards and the system silences. Our story is that there are neither good nor bad people, neither felon nor free world. We are all one. **The Humbler Poets** Slason Thompson, 1886 *Writings on Reconciliation and Resistance* Will D. Campbell, 2010-01-01 If prophets are called to unveil and expose the illegitimacy of those principalities masquerading as the right and purportedly using their powers for the good, then Will D. Campbell is one of the foremost prophets in American religious history. Like Clarence Jordan and Dorothy Day, Campbell incarnates the radical iconoclastic vocation of standing in contraposition to society, naming and smashing the racial, economic, and political idols that seduce and delude. In this anthology, Campbell diagnoses a problem afflicting much of the church today: Zealous to make a difference in the world by acquiring the power of legislation and enforcement, Christians employ society's political science rather than the scandalous politics of Jesus. Although well-intentioned, Christians are, Campbell laments, mistakenly up to our steeples in politics. Campbell's prescription is for disciples simply to incarnate the reconciliation that Christ has achieved. Rather than crafting savvy strategies and public policies, do nothing, Campbell counsels. Be reconciled. Yet his encouragement to do nothing is no endorsement of passivity or apolitical withdrawal. Rather, Campbell calls for disciples to give their lives in irrepressible resistance against all principalities and powers that would impede or deny our reconciliation in Christ, an unrelenting prophetic challenge leveled especially at institutional churches as well as Christian colleges and universities. In sermons difficult to access, journal articles, and archival manuscripts, Campbell then develops what reconciliation looks like. Being the church, for example, means identifying with and advocating for society's least one, including violent offenders, disenfranchised minorities, and even militant bigots. In fact, in Campbell's *ordo*, the scorned, sectarian, and disinherited denizen is often closer to the peculiar Christian genius than are society's well-healed powerbrokers. Disciples seeking to discern their calling can hardly do better than taking direction from this bootleg, pulpless preacher. **Will Campbell, Preacher Man** Kyle Childress, Rodney Wallace Kennedy, 2016-08-04 This collection of essays and sermons by Rodney Kennedy and Kyle Childress is focused on honoring the memory of Will Campbell, the prophet from the South who made a vocation of destroying sacred

cows The essays and sermons attempt to be true to the spirit of Will Campbell's devotion to the gospel above all else It should not be surprising that the essays and sermons are about the business of deconstructing more sacred cows while lifting up the truth claims of the gospel **"Professor Heussi? I Thought You Were a Book"** Eric W. Gritsch, 2009-07-27

Professor Heussi I Thought You are a Book is an entertaining account of six decades of graduate education with the subtitle A Memoir of Memorable Theological Educators 1950-2010 In personal encounters as well as in books academic icons appear on the horizon of memory Viktor Frankl in Vienna Karl Barth in Basel Carl Jung in Zurich Reinhold Niebuhr in New York Paul Tillich at Harvard and the doctor father Roland Bainton at Yale They are mixed with has-beens upstarts and other special professorial characters In this memoir of Lutheran scholar Eric Gritsch these accounts are also fed with collegial encounters during his thirty-three years of teaching and research in church history at the Gettysburg Lutheran Seminary with international excursions for Luther research and ecumenical dialogue with Roman Catholics Ambition stamina and humor are ingredients that spike this cocktail of theological education of a native of Austria in the 1950s and 60s Connoisseurs of anecdotal learning will find some satisfaction in this personal history of graduate studies in Europe and in the United States

Goode, 2010-04-01 If prophets are called to unveil and expose the illegitimacy of those principalities masquerading as the right and purportedly using their powers for the good then Will D Campbell is one of the foremost prophets in American religious history Like Clarence Jordan and Dorothy Day Campbell incarnates the radical iconoclastic vocation of standing in contraposition to society naming and smashing the racial economic and political idols that seduce and delude Despite an action-packed life Campbell is no activist seeking to control events and guarantee history's right outcomes Rather Campbell has committed his life to the proposition that Christ has already set things right Irrespective of who one is or what one has done each human being is reconciled to God and one another now and forever History's most scandalous message is therefore Be reconciled because once that imperative is taken seriously social constructs like race ethnicity gender and nationality are at best irrelevant and at worst idolatrous Proclaiming that far too many disciples miss the genius of Christianity's good news the kerygma of reconciliation this Ivy League educated preacher boldly and joyfully affirms society's so-called least one cultivating community with everyone from civil rights leaders and Ku Klux Klan militants to the American literati and exiled convicts Except for maybe the self-righteous none is excluded from the beloved community For the first time in nearly fifty years Campbell's provocative *Race and Renewal of the Church* is here made available

Gayraud Wilmore called Campbell's foundational work an unsettling reading experience but one that articulates an unwavering confidence in the victory which God can bring out of the weakness of the church The Gospel in the Stars Joseph A. Seiss, 2008 IT may seem adventurous to propose to read the Gospel of Christ from what Herschel calls those uncouth figures and outlines of men and monsters usually scribbled over celestial globes and maps So it once would have seemed to the writer But a just estimate of the case cannot be formed without a close survey of what these figures are what relations they bear to each other whence they originated and what meaning was attached to them by the most ancient peoples from whom they have been transmitted to us Such a survey the author of this volume has endeavored to make From an extended induction he has also reached conclusions which lead him to think he may do good service by giving publicity to the results of his examinations This classic includes the following chapters 1 The Starry Worlds 2 The Sacred Constellations 3 The Desire of Nations 4 The Suffering Redeemer 5 The Toiling Deliverer 6 The Triumphant Warrior 7 Death and New Life 8 The Living Waters 9 The Mystic Fishes 10 The Blessed Outcome 11 The Day of the Lord 12 The Heavenly Union 13 The Blessed Possession 14 The Consummated Victory 15 The Secrets of Wisdom 16 Primeval Man 17 The Star of Bethlehem

The Gospel in the Stars - Or, Primeval Astronomy Joseph Augustus Seiss, 2018-02-07 The Gospel in the Stars is an 1882 treatise by Joseph A Seiss Within it he attempts to reconcile Christianity with the contemporary public's fascination with astrology by drawing fascinating connections between the twelve signs of the Zodiac and Christian symbolism Joseph Augustus Seiss March 18 1823 June 20 1904 was an American theologian and Lutheran minister most famous for his contributions to pyramidology and dispensationalism His best known work is The Great Pyramid of Egypt Miracle in Stone Secrets and Advanced Knowledge 1877 considered a primary text of pyramidology Other notable works by this author include The Last Times and the Great Consummation 1856 The Children of Silence Or The Story of the Deaf 1887 and The Letter of Jesus 1888 This volume will appeal to modern readers with an interest in Judaism and it would make for a worthy addition to collections of allied literature Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork
