Backman,2021-03-23 Winning a junior ice hockey championship might not mean a lot to the average person but it means everything to the residents of Beartown a community slowly being eaten alive by unemployment and the surrounding wilderness A victory like this would draw national attention to the ailing town it could attract government funding and an influx of talented athletes who would choose Beartown over the big nearby cities A victory like this would certainly mean everything to Amat a short scrawny teenager who is treated like an outcast everywhere but on the ice to Kevin a star player just on the cusp of securing his golden future in the NHL and to Peter their dedicated general manager whose own professional hockey career ended in tragedy At first it seems like the team might have a shot at fulfilling the dreams of their entire town But one night at a drunken celebration following a key win something happens between Kevin and the general manager s daughter and the next day everything seems to have changed Accusations are made and like ripples on a pond they travel through all of Beartown leaving no resident unaffected With so much riding on the success of the team the line between loyalty and betrayal becomes difficult to discern At last it falls to one young man to find the courage to speak the truth that it seems no one else wants to hear
