

I don't believe in God because somebody told me I have to or I'll burn in hell. I believe in God because I do. And if I can accept the whole concept of God, and I do, then why not Jesus too?

The God I Dont Believe In:

The God I Don't Believe in Juan Arias,1973 Fr Arias was the founder of a movement to promote dialogue with those outside the Church In this book he enters into a communion of thought with people who do not share his faith He seeks to show that the magically remote God rejected by the unbeliever bears no relation to the One whom Christians worship

Prayer for People Who Don't Believe in God Vance Morgan,2019-10-01 Many progressive christians struggle with prayer or at least with the kinds of prayer they are often exposed to shouted whispered forceful timid begging and demanding everything from essay lengthy scripted petitions to poetry read from a book to rote recitations that no one pays much attention to to pronouncements to communications in a prayer language They are often gripped by the power of the Christian faith but are simply unable or unwilling to endorse or engage with many of its traditional beliefs including traditional beliefs about God and prayer If we re not trying to connect with the kind of God who takes notes answers yes or no and grants or withholds favours what or whom are we trying to connect with And so often our words seem to travel no further than the ceiling no matter what we believe The situation for people who describe themselves as spiritual but not religious isn t much different They may not pray in the traditional sense or in traditional ways but many long to connect or communicate with something larger than themselves as good a definition of prayer as any whether they name that something the divine big love or spirit or think of it as a force or energy that connects all things This is not an academic book nor a how to document Rather it poses questions that are important to progressive Christians and to the spiritual but not religious Working only with the assumption that prayer might have value even for those who are not sure what or who or even if God is this book is about opening oneself to the possibility of God Finding God When You Don't Believe in God Jack

say they are spiritual but not religious they are usually trying to say that they've left their God box and are looking for a bigger one They are telling you that they have either willingly left or been evicted from the place they once called home *I Don't Believe That Either . . . However* Tucker E. Dawson Jr.,2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God's immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith *Atheism: The Basics* Graham Oppy,2018-10-03 Atheism The Basics is a concise and engaging introduction to belief in the non existence of deities Atheism has long fascinated people but debate around this controversial position may seem daunting In this lively and lucid book Graham Oppy addresses the following important questions What does it mean to be an atheist What is the difference between atheism agnosticism theism and innocence How has atheism been distributed over time and place What does science tell us about atheism Are there good reasons to be an atheist Are there good reasons not to be an atheist What do we mean by new atheism With a glossary of key terms and suggestions for further reading throughout the book considers key philosophical arguments around atheism making this an ideal starting point for anyone seeking a full introduction to the arguments between those who hold atheistic beliefs and those who do not **God's Mystery Revealed** Rami Issa Sawaged, Pamphlet of the Prophet Bala (Prophet),1923 **Christianity for People Who Aren't Christians** James Emery White,2019-11-05 I wish this book had been around when I was an atheist and started to seek God It's a no nonsense practical and insightful guide that will help all those on a quest for spiritual truth If you're investigating whether there's any substance to the Christian faith you must read this important book Lee Strobel former award winning legal editor of the Chicago Tribune and bestselling author of more than twenty books In our post Christian age the old answers for skeptics are no longer cutting it Why Because they largely seek to answer the wrong questions Our world is changing and while the gospel never changes the way we talk about it and learn about it must Christianity for People Who Aren't Christians answers both classic and bleeding edge questions that skeptics have about the faith such as Is there a God Why do the life death and resurrection of Jesus matter Why is there so much suffering in the world Why do Christians think there is only one way to know God How do I reconcile the Bible's picture of Christ's followers with the actual Christians I know who have
